**Edgar Cayce on Reincarnation and Family Karma** Kevin J. Todeschi,2011-01-14 Life is a completely lawful experience because of the universal laws of reincarnation and karma that draw individuals together Rather than being some type of unavoidable destiny or a fate about which we can do very little the Edgar Cayce material instead sees karma as essentially an unconscious reservoir of information stored within the soul's memory Although this memory may draw certain events and individuals to one another personal free will and the way in which an individual responds to that memory determines her or his actual life experiences Drawing upon contemporary family relationships as well as family relationships for individuals who received guidance from Edgar Cayce this insightful volume examines the activities of reincarnation and karma especially as they play out in the dynamics of family relationships All individuals are brought together within their respective families as a means of learning specific lessons and having opportunities for personal soul growth In addition to examining the universal laws of reincarnation and karma this book illustrates the lawfulness of life the exacting nature of individual responsibility and the ever present hopefulness of personal free will In the end Edgar Cayce on Reincarnation and Family Karma makes an enormous contribution to demonstrating that life is a completely lawful experience that individuals can overcome whatever karmic lessons they seem to be faced with that free will is completely free and that God is truly as fair and as loving as we have always wished for our Creator to be      **Edgar Cayce and the Eternal Feminine** Lynn

Rogers,2004-05 Rogers explores the Eternal Feminine and Edgar Cayce From Creation Myths Twin Souls and Goddess practices Rogers offers insight into the causes of oppression of women in search of gender justice Rogers presents the Circle of Light Ritual and interviews engaged in The Work This book is a shining star      Under Spells and Other Narratives

Theodore Lyons,2013-10-29 In Under Spells a Buddhist author recounts his simultaneous influences after living out some of the experiences of various authors and their characters On the verge of homelessness in Sans Abri Without Shelter he decides not to stay in a shelter but rather outdoors like Siddhartha Gautama Buddha and his followers in the 5th century BC and painfully conquers the elements Having studied astronomy and astrology he finally charts his horoscope in Little Green Men and learns how and why his life turned out the way it did In Chez Moi he journeys again to Maine and eastern Canada while he has the chance      **A Soul's Journey** Jeanne Avery,2004-03-01 The Holocaust of Nazi Germany created a karmic wound that still affects us today Regression therapist Jeanne Avery finds that many of her clients struggle with past life memories of this horrific time In A Soul's Journey Avery shares these stories and their impact on us individually and collectively

Reimagining the Soul Douglas M. Stokes,2013-12-07 This book explores conceptions of the soul and the afterlife that are consistent with the findings of modern science It approaches these subjects from many different angles religious philosophical scientific poetic humorous quasi scientific and even pseudoscientific just to be fair Many possible afterlives are examined including physical resurrection whether supernatural biological or cybernetic in form reincarnation participation in a dream like world or collective mind and the persistence of recycling centers of pure

consciousness Philosophical scientific and religious doctrines regarding the relationship between conscious minds and physical matter are reviewed Centers of consciousness likely exist at many different hierarchical levels from elementary particles single neurons and organisms all the way up to supra individual entities such as ant colonies or deities Empirical evidence bearing on the nature of the soul and the afterlife is also reviewed including that amassed by parapsychologists suggesting that some personality elements may survive death as in the case of children who report memories of previous lives The findings of modern neuroscience suggest that you cannot take it all or even much of it with you but you can at least take you with you

**Reincarnation** Joel Bjorling, 2013-08-21 First Published in 1996 You may have lived before As a matter of fact you may have experienced countless lifetimes This statement constitutes the basic premise of reincarnation which is also called transmigration and metempsychosis This volume explores the origins and development of the belief of reincarnation

**We Are All One** Irie Glajar, 2008 This is one of the most thought provoking books that I have ever had the pleasure of reading It weaves historical facts into a world fabric that backs up the beautiful theory of WE ARE ALL ONE We need a million of these books delivered to our world leaders so that we can all get on the same page It truly is an intelligent and enjoyable read David R H Walker Creative Director and Author This important book is concerned with the direction that modern societies have taken with the alienation of citizens of the world the division between and within all cultures that the inhabitants of this planet are experiencing War violence and aggression are a result Irie Glajar a teacher explains that we are all one and that until we perceive the unity and connectedness of our Universe we will not succeed as a species He ends with a letter to Presidents and terrorists proposing a World Unity Conference for Heads of States with the sole purpose of discussing the unity of all things Irie has captured the essence of the causes and a solution to the problems that the world currently faces Don Switlick Austin Community Group Coordinator Institute of Noetic Science

**The Nature of Mind** Douglas M. Stokes, 2024-10-18 Western science teaches that our beings are governed by the laws of physics and our minds play no part There are however flaws in this thinking most prominently unexplained paranormal phenomena that defy explanation by modern theories of physics Collected by parapsychologists these data include extrasensory perception ESP poltergeist occurrences and psychokinesis Much of the current data in parapsychology and their implications for understanding the true nature of the self are examined here Beginning with a consideration of several instances of spontaneous psi the book examines the theoretical explanations of paranormal phenomena It covers the hypothesis and evidence that minds contain the so called hidden variables that determine the outcomes of the quantum process thus interweaving parapsychology with modern physics The reader is also forced to consider in detail the relationship between the conscious mind and the physical brain and the evidence that minds survive the death of bodies
