Editorial and Persuasive Writing Harry W. Stonecipher, 1979 Two boys must outsmart the neighborhood bullies before they can enjoy their new treasure a pair of lensless motorcycle goggles *Persuasive Writing, Grades 3-5 (Meeting Writing Standards Series)* Rebecca J. Rozmiarek, 2000-05 Activities in this book have been divided into three categories letters editorials and reviews Incorporated throughout the book are standards for assessment **Persuasive Writing, Grades 6-8 (Meeting Writing Standards Series)** Rebecca Rozmiarek, 2000-08 Activities in this book have been divided into three categories letters editorials and reviews Incorporated throughout the book are standards for assessment Perspective on Analytical Writing a Focus on Feature and Editorial Writing Richmond S. Anderson Snr., 2021-12-10 The writing of this book Perspective on Analytical Writing a focus on Feature and Editorial writing is based on the urge for students majoring in mass communication on the African continent particularly those within the Economic Community of West African States ECOWAS to have a simplistic understanding of the course feature and editorial writing It will be oblivious or a miss calculation to say that there are no texts books on feature and editorial writing on the African continent since I have not had the opportunity to extensively travel within Africa but what could be safely said is for over three decades since I completed my under graduate studies I have not seen a text book on feature and editorial writing readily Based on this experience the book first endeavored in its starting to give students an insight on what an analytical writing is beginning with a drill on perspective and gave a detailed and vivid picture of perspective thereby laying the basis to understanding what feature and editorial writing is all about Although the core focus of the book is on feature and editorial writing but as the title depicts Perspectives on Analytical Writing more emphases are placed on perspective and analytical writing in order to provide a deeper understanding for the students as a foundation to grasp the concept of feature and editorial writing Also the book featured research as a component to writing an appreciable feature and editorial piece Added to research other ingredients for writing good feature and editorials are also considered They include opinion persuasion and propaganda Furthermore since feature and editorial writings are within the scope of mass communication and journalism it became imperative for the book to touch on the ethical aspect of the profession aimed at providing students the barometer of knowing what to do and not what to do while writing feature and editorial pieces In its conclusive stage the book dealt with the impact of editorial on political actors as it relates to their involvement in the process of national development As you will come across in your reading mass communication and journalism are catalysts to agenda setting in any society therefore it is expected that stakeholders particularly those involved in the governance process of our countries in Africa to take clue from editorial articles especially those that advocate for positive change to propel them to respond to the developmental needs of Africa Now let s be practical and reflect on a simple analogy referencing a performance by a group of movie stars such as the late popular comedian Peter Ballah of Liberia Kekura Kamara with his popular movie Malawala Balawala of Liberia Salla Kamara

with his movie Blood Diamond of Sierra Leone Mr Ibu John Okafor with the show Mr Ebu and his son of Nigeria or John Dumelo with the movie the tie that binds of Ghana As these movie stars are performing in their movies the viewers are fascinated with emotion amusement and are thrilled by the performances while in their seats in the theatre movie hall or in their various homes Just as the emotion of viewers is intrigued by the performances or movies so feature and editorial write ups are replica to evoking the emotion of the readers The articles must create a scenario of curiosity to arouse or entice the readers This is the drama in feature and editorial writing **Writing Workshop** Teacher Created Resources,2004-06-28 This book is perfect for busy teachers who want a comprehensive resource for teaching writing It includes lessons on the different writing genres language use and conventions and the writing process Editorial Writing Matthew Lyle Spencer,1924 **Interpersonal Rhetoric in the Editorials of China Daily** Liu Lihua,2010 Originally presented as the author s thesis doctoral Tsinghua University 2007 **Deeper Writing** Robin W.
