

Edmonia Lewis

Dorothy Sterling

Edmonia Lewis:

Child of the Fire Kirsten Buick, 2010-02-17 *Child of the Fire* is the first book length examination of the career of the nineteenth century artist Mary Edmonia Lewis best known for her sculptures inspired by historical and biblical themes Throughout this richly illustrated study Kirsten Pai Buick investigates how Lewis and her work were perceived and their meanings manipulated by others and the sculptor herself She argues against the racist art discourse that has long cast Lewis's sculptures as reflections of her identity as an African American and Native American woman who lived most of her life abroad Instead by seeking to reveal Lewis's intentions through analyses of her career and artwork Buick illuminates Lewis's fraught but active participation in the creation of a distinct American national art one dominated by themes of indigeneity sentimentality gender and race In so doing she shows that the sculptor variously complicated and facilitated the dominant ideologies of the vanishing American the notion that Native Americans were a dying race sentimentality and true womanhood Buick considers the institutions and people that supported Lewis's career including Oberlin College abolitionists in Boston and American expatriates in Italy and she explores how their agendas affected the way they perceived and described the artist Analyzing four of Lewis's most popular sculptures each created between 1866 and 1876 Buick discusses interpretations of Hiawatha in terms of the cultural impact of Henry Wadsworth Longfellow's epic poem *The Song of Hiawatha* Forever Free and Hagar in the Wilderness in light of art historians' assumptions that artworks created by African American artists necessarily reflect African American themes and *The Death of Cleopatra* in relation to broader problems of reading art as a reflection of identity [The Sentimental Education of Mary Edmonia Lewis](#) Kirsten Pai Buick, 1999

Edmonia Lewis Charlotte Etinde-Crompton, Samuel Willard Crompton, 2019-12-15 Edmonia Lewis was a free woman of color who gained recognition as a sculptor during the Civil War Of black and Native American heritage she stood out in the largely white and male dominated art world At first she struggled to find sculptors willing to mentor her but Lewis was determined to succeed and opened an art studio in 1864 Her early works included busts of Native Americans and abolitionists a community that helped her career thrive Readers will learn that a move to Rome in 1866 raised her to international fame Against all odds she achieved unimaginable success as an artist Inspire readers by introducing them to Edmonia Lewis **The Indomitable Spirit of Edmonia Lewis.** Albert Henderson, Harry Henderson, 2021-11-17 Winner of the eLit GOLD award Illuminating Digital Publishing Excellence Edmonia Lewis was the first famous colored sculptor and the first to idealize her African and American Indian heritages in stone She flourished from 1864 through 1878 and as an artist was a rare instrument for social change in the aftermath of the Civil War She pressed her case for equality from her studio in Rome Italy and with annual tours of the United States Our new narrative of Lewis's life and art updates many established facts well beyond erroneous birth and death dates with more than 100 000 words 50 illustrations 800 references bibliography index and a reference list of more than 100 works with notes on museum holdings It is based on private letters public

documents essays hundreds of news items reviews of her work museum collections and more than two dozen published interviews It reveals how a world biased against her color class gender and religion received her Of special interest to African American and American Indian studies as well as art women s and American history the narrative opens an abundance of previously unrecognized sources reinterprets important relationships names missing works and corrects the identification of an important portrait Students of the nineteenth century will find it a cool counterpoint to the bitter rage of Civil War and Reconstruction Readers familiar with her legendary icons of race may be surprised by her many portraits and her untold moves to Paris and London They will also find answers to long standing questions Where when and how did she die Why did her encounter with a bronze Ben Franklin leave her reeling Why did she idealize a woman with African features only once in her career Why did she never cite the now famous Forever Free after her first interviews in Rome Why did she have to stalk Henry Wadsworth Longfellow through the streets to make his portrait Where was her studio How often did she tour America How did she enter her work in the 1876 Centennial expo which had barred colored people absolutely What were her relationships with fans mentors and fellow sculptors Who were her rivals her best friends and her worst enemies Fresh evidence never before collected and collated argues a novel motive for her erotic masterwork the Death of Cleopatra which sits apart in her oeuvre like a hussy in a small town church Newly realized sources also change our view of her childhood and provide ample support to refute distortions of her personal character sexuality and appearance Harry Henderson was co author with Romare Bearden of the landmark History of African American Artists from 1792 Pantheon 1993 and 6 Black Masters of American Art Doubleday 1972 Albert Henderson has contributed to a number of learned journals and books

Stone Mirrors Jeannine Atkins, 2017-01-10 A biographical novel in verse of a half Native American half African American female sculptor Edmonia Lewis working in the years right after the Civil War

Edmonia Lewis Rinna Wolfe, 2001-12 Biography of African American sculptor Edmonia Lewis

[Edmonia Lewis](#) Jeffrey Richmond-Moll, Shawnya L. Harris, 2026-02-09 A richly illustrated volume accompanying the first retrospective of Black and Indigenous American sculptor Edmonia Lewis Edmonia Lewis ca 1844 1907 broke international racial and gender barriers as a talented young artist who traveled to Rome in 1866 to join the leading American sculptors of her generation She created acclaimed figurative works in marble and achieved great success but her status as a woman of African American and Indigenous Mississauga heritage complicated the critical reception of her oeuvre during her lifetime Following her death Lewis s contribution to American sculpture was largely overlooked Accompanying the first monographic retrospective of Lewis this lavishly illustrated volume presents images of all of Lewis s known works and shares new discoveries that illuminate her artistic advancements and defiant social commentaries Essays place her sculptures in conversation with abolitionist and feminist visual cultures and consider the subjects Lewis addressed in her work including Indigenous artistry social and political reformers and classical religious and mythological figures By looking at Lewis s sculptures in relationship with the

artists and audiences of her era and ours this beautiful book sheds new light on her networks cultural impact and enduring legacy We are Your Sisters Dorothy Sterling,1997 Contains 1000 oral interviews with American black women who lived between 1800 and the 1880s *Edmonia Lewis* Rinna Wolfe,1998 Biography of African American sculptor Edmonia Lewis

Seen: Edmonia Lewis Jasmine Wells,2020-10-07 It s about being seen Both for who you are and who you hope you can become History is a mirror and all too often the history we re told in school reflects only a small subset of the population In the new ongoing graphic novel program Seen True Stories of Marginalized Trailblazers you ll find the stories of the real groundbreakers who changed our world for the better Meet Edmonia Lewis the woman who changed America during the Civil War by becoming the first sculptor of African American and Native American heritage to earn international acclaim In the tradition of March Science Comics and A Quick and Easy Guide to They Them Pronouns Jasmine Walls and Bex Glendining shine a light on a true story of courage determination and perseverance through one of America s most violent eras to create true beauty that still resonates today
