Brian Simon and the Struggle for Education Gary McCulloch, Antonio Fco Canales, Hsiao-Yuh Ku, 2023-09-21 This is the first full length study of the life and career of Brian

Simon 1915 2002 leading Marxist intellectual and historian of education in twentieth century Britain Using documentary sources that have only recently become publicly available it reveals the remarkably broad range of Simon s life as student soldier and school teacher Communist Party activist and educational academic campaigner and reformer In a sympathetic biography that yet retains critical distance the authors analyse Simon s contribution to Marxism and the CP explore the influence of both on his work as a historian of education and trace the significance of his Marxist beliefs political associations and historical approach to the cause of educational reform In so doing they consider the full nature and limitations of Simon s achievements in his struggle for education Unlike many Marxist scholars he remained loyal to the CP in the 1950s which damaged his reputation as a public intellectual Nevertheless his support for comprehensive education helped to promote egalitarian educational reforms in Britain although he was later unable to provide sufficient resistance to the 1988 Education Reform Act and to a decline in the position of the comprehensive schools In all this the significance of Simon s family and especially his relationship with his wife Joan is to the fore Joan and Brian forged a formidable 60 year partnership in politics and the CP as well as in life that lasted until Brian s death in January 2002

Education and the Reproduction of Capital R. Kumar,2012-07-25 A reflection on the specific context of neoliberal capitalism and its impact on education The chapters establish the intersectionality of state capital and education and engage with possibilities of transcending the onslaught of capital in different geographical locations from the Northern Hemisphere to the Southern Hemisphere An Empirical Approach to Preparing Children for Starting School Karen Wickett,2019-08-30 This book presents an exploration of the beliefs held by parents Early Childhood Education and Care ECEC practitioners and teachers and their relationships during children s transition to school This exploration was prompted by the author s observations that the relationships between ECEC practitioners and teachers became increasingly strained when the term school readiness was introduced to the EYFS Drawing on the findings of empirical research the book presents the four qualities of relationships between parents ECEC practitioners and teachers during children s transition to school Unlike many current texts this book extends the transition to include the phases of preparation and adjustment and explores how the qualities of relationships between parents ECEC practitioners and teachers can change throughout the phases of the transition The conceptual framework The Relational Transition to School is developed and is a useful tool for researchers and those working together to explore the qualities of relationships between those supporting children during a transition An Empirical Approach to Preparing Children for Starting School will be of great interest to researchers academics and postgraduate students in the field of early childhood education as well as those training to be early years practitioners
