Education in the 80s R. Baird Shuman,1981-01-01 **Resources in Education** ,1991 *Modern British Playwriting: the 80s* Jane Milling,2012-12-20 A critical study of the theatre produced in the 1980s with an in depth analysis of the work of four key playwrights from the decade **Progressives and Radicals in English Education 1750-1970** W. A. C. Stewart,1972-06-18 Peace Corps in the 80's Gerard T. Rice,1986 **The Journal of Education** ,1888 **Journal of Education and School World** ,1888 **Alternatives to Privatizing Public Education and Curriculum** Daniel Ness,Stephen J. Farenga,2017-03-16 Through conversations in honor of Dale D Johnson this book takes a critical view of the monoculture in curriculum and policy that has developed in education with the increase of federal funding and privatization of services for public education and examines the shift from public interest and control to private and corporate shareholder hegemony Most states educational responsibilities assessment of constituents curriculum development and instructional protocols are increasingly being outsourced to private enterprises in an effort to reduce state budgets These enterprises have been given wide access to state resources such as public data from state sanctioned testing results field testing rights to public schools and financial assistance Chapter authors challenge this paradigm as well as the model that has set growing premiums on accountability and performance measures Connecting common impact between the standards movement and the privatization of education this book lays bare the repercussions of high stakes accountability coupled with increasing privatization Winner of The Society of Professors of Education Book Award 2018 **Creating Writers** Vicki Spandel,Richard J. Stiggins,1990 From the Back Cover The missing link in effective writing instruction is everyday assessment techniques These techniques when used by teachers and students connect assessment and writing instruction to successful teaching The benefit is an effective efficient and reflective strategy for teaching writing skills Based upon seven years of collaboration in research and teaching Creating Writers reveals a clear set of standards for good writing The authors link these standards to practical strategies encouraging good writing and evaluation The result is highly motivated and effective writers and teachers Creating Writers Clearly identifies attributes of good writing with developed scoring guides Integrates writing assessment with daily writing instruction Offers practical tips for saving time and effort in assessing and teaching writing Presents practical instructional strategies with illustrations of their use in the classroom Suggests how teachers can share views on what constitutes good writing and participate in evaluating the work of each other s students
