Politics and Policy-Making in Israel's Education System Haim Gazieli,1996-01-01 This volume describes and analyses the structure of Israel s education system from a political and policy making perspective

The Oxford Handbook of Israeli Politics and Society Reuven Y. Hazan,Alan Dowty,Menachem Hofnung,Gideon Rahat,2021 Few countries receive as much attention as Israel and are at the same time as misunderstood The Oxford Handbook of Israeli Politics and Society brings together leading Israeli and international figures to offer the most wide ranging treatment available of an intriguing country It serves as a comprehensive reference for the growing field of Israel studies and is also a significant resource for students and scholars of comparative politics recognizing that in many ways Israel is not unique but rather a test case of democracy in deeply divided societies and states engaged in intense conflict The handbook presents an overview of the historical development of Israeli democracy through chapters examining the country s history contemporary society political institutions international relations and most pressing political issues It outlines the most relevant developments over time while not shying away from the strife both in and around Israel It presents opposed narratives in full force enabling readers to make their own judgments

Higher Education and the Palestinian Arab Minority in Israel Khalid Arar,Kussai Haj-Yehia,2016-04-08 Higher Education and the Palestinian Minority in Israel examines perceptions concerning the characteristics of higher education acquisition in the indigenous Palestinian Arab minority in Israel Arar and Haj Yehia show that Palestinian Arabs in Israel clearly understand the benefit of an academic degree as a lever for social status and integration within the state of Israel The authors discuss difficulties met by Palestinian high school graduates when they attempt to enter Israel s higher education institutes and the alternative phenomenon of studying abroad The cultural difference between Palestinian traditional communities and Western Israeli campuses exposes Arab students to a mix of ethnicities and nationalities which proves to be a difficult transformative experience The book analyzes patterns of higher education acquisition among the indigenous Palestinian minority describing the disciplines they choose the challenges they encounter particularly for Palestinian women students and explore the implications for the Palestinian minority and Israeli society
