**A Handbook on the Ecowas Treaty and Financial Institutions** Maiyaki,2012-09-14 The inspiration to write on the ECOWAS Treaty and the role of financial institutions derived from the apparent and unabated efforts of the various governments in the West African subregion to find solutions to the inexplicable sufferings and underdevelopment of the region and its people in the face of abundant but untapped human and natural resources The strategy of integration has been employed by other jurisdictions some of them more developed as an option in addressing the forgoing challenges So many years after the establishment of ECOWAS the dream is far from being attained Given the critical financial engagements inherent in the ECOWAS integration strategy it is considered desirable that the treaty is rationalized to accommodate a wider role for financial institutions within the control of a supra national framework Economic Integration , **Managerial Economics, 8th Edition** Dwivedi D.N., This well known book on the subject has stood the test of time for the last 35 years because of the quality of presentation of its text It has become students favourite as it provides the latest theories thoughts and applications on the subject with timely revisions to stay up to date all the time Since its first edition it has provided complete comprehensive and authentic text on micro and macro aspects of managerial economics It has now been revised thoroughly with added interpretations of economic theories and concepts and their application to managerial decisions NEW IN THE EIGHTH EDITION Summary at the end of each chapter for quick recap One complete new chapter several new sections Some New Important Sections Derivation of Demand Curve with Changing Marginal Utility of Money and Why Demand Curve Slopes Downward to Right Expansion Path of Production and Equilibrium of Multi plant Monopoly Theory of Interest Rate Determination and Monetary Sector Equilibrium Current Foreign Trade Policy of India and Current Role of the
