Translated Research from China contains a collection of the most outstanding academic articles written by prestigious Chinese scholars of humanities and social sciences within the last 30 years All the contributors are native Chinese scholars who have experienced China s dramatic changes by themselves In the past research done by Chinese scholars has not been adequately represented in English due to the language barrier In this series all the volumes are quality works translated from Chinese to English This series will benefit international readers interested in China s reform process and the development of Chinese humanities and social sciences      *Economic Changes in Rural China* Yun Gong,1995      *Economic Changes in Rural China* Chi-kwong Wong (Patrick),University of Hong Kong,1995      **Economic Changes in Rural China** Chi-Kwong Patrick Wong,□□□,2017-01-26 This dissertation *Economic Changes in Rural China* by Chi kwong Patrick Wong was obtained from The University of Hong Kong Pokfulam Hong Kong and is being sold pursuant to Creative Commons Attribution 3 0 Hong Kong License The content of this dissertation has not been altered in any way We have altered the formatting in order to facilitate the ease of printing and reading of the dissertation All rights not granted by the above license are retained by the author DOI 10 5353 th\_b3195450 Subjects Rural development China Agriculture Economic aspects China Agriculture Social aspects China      **Organizations and Growth in Rural China** Marsh Marshall,1985-12-02 Economic analysis of the relations between organization behaviour of communes and economic growth in rural area China reviews land reform early rural cooperatives and transition to the rural commune analysing its structure and function includes two case studies of agricultural development and rural industry growth rate and income looks at the private sector notably household income level discusses collective income distribution at brigade level impact of recent economic reforms etc Bibliography graphs references statistical tables      **Economic Change in China, C.1800-1950** Philip Richardson,Economic History Society,1999-11-13 This concise 1999 introduction focuses on China s transition to economic modernisation      China's Remarkable Economic Growth John Knight,Sai Ding,2012-04-12 China s economy has been growing at ten per cent per annum for the last three decades This book considers one of the biggest questions facing contemporary economists why and how is the Chinese economy growing so fast      China's Economic Growth and Transition Clement Allan Tisdell,C. H. Chai,1997 Contains updated papers from an international conference held in Brisbane Australia centering on China s economic reforms and economic growth regional issues and property rights in China environmental issues and land use and science and technology policies Specific topics include China s market reforms and its new forms of scientific and business alliances sustainable land use in the Three Gorges area and inter village income inequality in China Annotation copyrighted by Book News Inc Portland OR      **The Political Economy of China** Hongying Wang,2025-07-21 China s economic rise

over the last four decades has been as confounding as it has been impressive Few economies have grown as fast and changed the lives of so many people in such a short time How is it that a nominally Communist state has been able to achieve this economic miracle And what are the consequences of this rapid transformation into a global economic powerhouse both inside China and abroad The Political Economy of China is a lively and comprehensive introduction to China's economic development in the contemporary era Across its twelve thematic chapters the book offers a multifaceted examination of the history sectors and policies that are essential for understanding China's growth experience Chapter topics include the evolution of the state and private sectors rural economic development the labour market social welfare in China the environment macroeconomic management and finance foreign trade and direct investment and China's going out strategy of overseas investment that includes the Belt and Road Initiative Written by a respected authority on the subject with more than a decade of experience teaching it to students the book will serve as a vital resource for anyone new to the study of Chinese political economy or seeking a deeper understanding of the political and economic logic behind the headlines about the miracle and mirage of China's rise

**China's Economic Growth: Towards Sustainable Economic Development and Social Justice** John Joshua, 2017-01-09 This two volume book addresses the economic transformation occurring in China at present The author investigates China's domestic and international policies the impact of these policies on economic growth and their effect on the quality of life for the people of China In the first volume the author distinguishes between economic growth and sustainable economic development and discusses China's current and past economic policies towards growth Chapters also explore the structural transformation of China's economy and its increasingly consumer oriented nature The second volume looks more specifically at the result of domestic policies on the quality of life for people living in China The author examines the distribution of income the alleviation of poverty the Chinese education system and the environmental cost of economic growth These volumes will be of particular interest to researchers and scholars concerned with China's emerging economic power

China's New Sources of Economic Growth: Vol. 1 Ligang Song, Ross Garnaut, Cai Fang, Lauren Johnston, 2016-07-21 China's change to a new model of growth now called the new normal was always going to be hard Events over the past year show how hard it is The attempts to moderate the extremes of high investment and low consumption the correction of overcapacity in the heavy industries that were the mainstays of the old model of growth the hauling in of the immense debt hangover from the fiscal and monetary expansion that pulled China out of the Great Crash of 2008 would all have been hard at any time They are harder when changes in economic policy and structure coincide with stagnation in global trade and rising protectionist sentiment in developed countries extraordinarily rapid demographic change and recognition of the urgency of easing the environmental damage from the old model China's economy has slowed and there are worries that the authorities will not be able to contain the slowdown within preferred limits This year's Update explores the challenge of the slowdown in growth and the change in economic structure Leading experts on China's economy

and environment review change within China's new model of growth and its interaction with ageing environmental pressure new patterns of urbanisation and debt problems at different levels of government It illuminates some new developments in China's economy including the transformational potential of internet banking and the dynamics of financial market instability China's economic development since 1978 is full of exciting change and this year's China Update is again the way to know it as it is happening

**Reform and Development in Rural China** Du Runsheng, 2016-07-27 The 19 speeches in this volume explain many aspects of China's market based rural economic reforms They were delivered primarily to groups of government or Party officials by Du Runsheng director of the Rural Development Research Center RDRC of China's State Council for much of the 1980s The book includes an introductory chapter describing the history of rural economic policy in the People's Republic of China notes by Du Runsheng and a glossary of important Marxist and Chinese economic terms
