

The background of the entire image is a sepia-toned photograph of a city street shrouded in thick fog. On the left, a tall, ornate building with many windows rises above the mist. In the lower-left foreground, a streetcar is partially visible, its form softened by the fog. The street itself is a wide, light-colored path that leads from the bottom center towards the background, disappearing into the haze. On the right side, more buildings are visible, their details obscured by the fog. The overall atmosphere is one of mystery and solitude.
