Finding Fish Antwone Fisher, Mim E. Rivas, 2009-10-13 The author recounts his life from birth in prison to success in Hollywood in the New York Times bestselling memoir that inspired the film *Antwone Fisher*. Baby Boy Fisher was raised in institutions from the moment he was born to a single mother in prison. He ultimately came to live with a foster family where he endured near constant verbal and physical abuse. In his mid teens he escaped and enlisted in the navy where he became a man of the world raised by the family he created for himself. *Finding Fish* shows how out of this unlikely mix of deprivation and hope an artist was born first as the child who painted the feelings his words dared not speak then as a poet and storyteller who would eventually become one of Hollywood's most sought after screenwriters. A tumultuous and ultimately gratifying tale of self discovery written in Fisher's gritty yet melodic literary voice *Finding Fish* reads like a great work of fiction.
