## **Finding Fish A Memoir:**

Finding Fish Antwone Fisher, Mim E. Rivas, 2009-10-13 The author recounts his life from birth in prison to success in Hollywood in the New York Times bestselling memoir that inspired the film *Antwone Fisher*. Baby Boy Fisher was raised in institutions from the moment he was born to a single mother in prison. He ultimately came to live with a foster family where he endured near constant verbal and physical abuse. In his mid teens he escaped and enlisted in the navy where he became a man of the world raised by the family he created for himself. *Finding Fish* shows how out of this unlikely mix of deprivation and hope an artist was born first as the child who painted the feelings his words dared not speak then as a poet and storyteller who would eventually become one of Hollywood's most sought after screenwriters. A tumultuous and ultimately gratifying tale of self discovery written in Fisher's gritty yet melodic literary voice *Finding Fish* reads like a great work of fiction. Denzel Washington

*Finding Fish* Antwone Quenton Fisher, 2001 Antwone Fisher tells the story of his life from his birth to a prison inmate to his success as a screenwriter in Hollywood discussing his childhood and teen years in foster homes his stint in the Navy his attempts to find his mother and father and the determination that led him to create the life of his dreams

**Finding Fish** Antwone Q. Fisher, Mim E. Rivas, 2002-12-03 A New York Times bestseller *Finding Fish* is the remarkable story of an African American boy abandoned in an abusive foster home in Cleveland who rises to liberation manhood and extraordinary success in Hollywood. Born in prison to a single mother after his father was shot and killed, Antwone Fisher soon became a ward of Cleveland's foster care system. By the time he was five years old he had been transferred to several different families. Eventually he came to live with the Picketts, an older couple with grown children of their own. During his stay with the Picketts which lasted until he was 17 years old, Antwone suffered near constant verbal and physical abuse at the hands of the Picketts and sexual abuse from a neighbour. The damage to his self esteem was tremendous yet Antwone managed to resist the gang like behaviour and drug use that so many of his friends were engaged in. Finally he fled and before long he was living on the streets, homeless. Again rescuing himself he enlisted in the Navy where he created a life for himself and with the help of a Navy psychologist worked through his past. After he left the Navy while working as a security guard at Sony Pictures in Hollywood he told his story to one of the executives there who encouraged him to write his life as a screenplay.
