Finding My Balance A Memoir:

Finding My Balance Mariel Hemingway, 2003-01-30 Actress Mariel Hemingway uses the lessons and practices of yoga as a starting point for her own personal reflections and a larger than life family story The result is a searingly honest memoir that is firmly practical as well as a moving narrative of the author's struggle to deal with a complex and often stressful life Mariel was the third daughter born to Jack Hemingway Ernest Hemingway's son and Byra Whittlesey Her older sister Muffet suffered for years from instability while middle sister Margaux a celebrated actress and model who was caught up in the fast lane eventually died of the effects of her driven lifestyle Their mother Byra was darkly moody and emotionally quixotic and made no secret of her disdain for her husband while Jack himself insecure in no small part because of his celebrated father a man he never really felt he knew was an indifferent parent at best Even before she was a teenager Mariel was forced to assume the role of stable center of her family In just about every way she never really had a childhood of her own a situation that was exacerbated by her sudden thrust into celebrity when she was first cast in sister Margaux's film Lipstick then in Woody Allen's Manhattan Suddenly Mariel was a movie star Always an athletic person Mariel turned to yoga and its meditative practice in an effort to maintain her center while much of her life threatened to spin out of control As the title of this remarkable memoir suggests much of her adult life has been directed toward finding and maintaining her balance in situations that have been heartbreakingly unsettling and emotionally disorienting Throughout the book Mariel uses her yoga training as a starting point for each chapter carefully describing a particular position then letting her mind wander into thoughts of the past and her rocky life As each chapter begins with instruction so does the book end in the same way the exercises this time organized in a sequence that can be followed by anyone who wants to practice them Included are photos of Mariel as she performs the various moves Living the life now of wife and mother to two teenaged daughters while still pursuing a career in film Mariel Hemingway has weathered some of the worst storms that life can bring Certainly she has found her balance And in this deeply inspiring thoroughly fascinating memoir she shares for the first time the story of that journey

Finding My Balance Mariel Hemingway, 2004-07 Stardom thanks to Woody Allen and his film Manhattan came at an early age but so did the problems of a broken and dysfunctional family Yet in a life so out of kilter Mariel Hemingway summoned the strength and inner resolve that enabled her to find and to keep her balance In *Finding My Balance* actress Mariel Hemingway uses the lessons and practices of yoga as a starting point for her own personal reflections and larger than life family story The result is a searingly honest memoir that is as deeply moving as it is helpfully prescriptive Mariel turned to yoga and its meditative practice in an effort to maintain her center when her life threatened to spin out of control Having experienced family tragedy sudden stardom and the continuing challenges of a full and demanding life Mariel learned through practice how to find her balance in emotionally disorienting situations Throughout the book Mariel uses her yoga training as a starting point for each chapter carefully describing a particular position then letting her mind wander into

thoughts of the past and of her tumultuous life As each chapter begins with instruction so does the book end with exercises organized in a sequence that can be followed by anyone who wants to practice them As a special bonus for this edition Mariel has added a section that describes the basics of her own In Balance Philosophy calming words of advice for people in search of their own emotional center *Finding My Balance* Mariel Hemingway,2001-01-01 Using yoga as a starting point with each chapter Mariel Hemingway carefully describes a particular position then lets her mind wander into thoughts of her past and her rocky life This fascinating inspiring and deeply moving memoir is by the granddaughter of Ernest Hemingway as she finds her balance in life 40 photos Illustrations throughout *Yoga Journal* ,2003-05 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty
