Finding Peaches In The Desert:

Greatest hits, 1984-2008 Pam Uschuck, 2009 **Wild in the Plaza of Memory** Pamela Uschuk, 2012 Blending the personal with the political these poems explore the deleterious effects of adversity and trauma on a global scale focusing on such subjects as immigration laws environmental degradation multinational corporate greed and the effects of war on women and children The poet makes unexpected connections between disparate things drawing from wild nature for imagery while also passionately engaging the reader to become aware of injustice and suffering at home and abroad The poems are crafted using lyrical language that is at once precise figurative and celebratory creating a collection that is humanitarian and emotionally resonate **Crazy Love** Pamela Uschuk, 2009 Through bold and innovative language a strong female narrative explores the world and provides a voice for those who have been silenced in this empowering and inspirational collection of poetry Examining a wide range of topics love spirituality nature and family the poems give particular focus to politics discussing how the actions of the government affect individuals on a daily basis Filled with natural imagery and speckled with traces of the author's Russian Swedish and American heritage this fresh compilation dares to take risks and ultimately offers hope and inspiration to people from all walks of life **Scattered Risks** Pamela Uschuk, 2005 The Durango based poet presents a collection of verse exploring the natural world of western Colorado Mexico and elsewhere *Beyond the Sea of Beer* Miloslav Rechcigl Jr., 2017-11-09 This is a comprehensive history of immigrants from the historic lands of the Bohemian Crown and its successor states including Czechoslovakia and the Czech Republic based on the painstaking lifetime research of the author The reader will find lots of new information in this book that is not available elsewhere The title of the book comes from a popular song of the famous Czech artistic duo Voskovec and Werich who described America in those words when they lived here reflecting on their love for this country It covers the period starting soon after the discovery of the New World to date The emphasis is on the US although Canada and Latin America are also covered It covers the arrival and the settlement of the immigrants in various states and regions of America their harsh beginnings the establishment of their communities and their organization A separate section is devoted to the contributions of notable individuals in different areas of human endeavor including Bohemians Moravians Bohemian Jews and the Slovaks These people excelled in just about every facet of human undertaking Even though a total number of these immigrants were fewer than other ethnic groups their accomplishments were phenomenal Nothing like this has ever been published since the time Thomas Capek wrote his classic *The Cechs Bohemians in America* some one hundred years ago Notable American Women with Czechoslovak Roots Miloslav Rechcigl Jr., 2019-09-16 Even though there exist only a few general studies on the subject of Czechoslovak American women this is not at all a reflection of the paucity of work done by these women as this publication demonstrates This monograph is a compendium of notable American women with Czechoslovak roots who distinguished themselves in a particular field or area from the time they first immigrated to America to date Included are not only individuals born on the

territory of former Czechoslovakia but also their descendants This project has been approached strictly geographically irrespective of the language or ethnicity Because of the lack of bibliographical information most of the monograph comprises biobibliographical information in which area a plethora of information exists As the reader will discover these women have been involved practically in every field of human endeavor in numbers that surprise On the whole they have been noted for their independent spirit and nonconforming role

Encyclopedia of Bohemian and Czech-American Biography

Miloslav Rechcigl Jr., 2016-11-10 As the Czech ambassador to the United States H E Petr Gandalovic noted in his foreword to this book that Mla Rechcigl has written a monumental work representing a culmination of his life achievement as a historian of Czech America The Encyclopedia of Bohemian and Czech American Biography is a unique and unparalleled publication The enormity of this undertaking is reflected in the fact that it covers a universe starting a few decades after the discovery of the New World through the escapades and significant contributions of Bohemian Jesuits and Moravian brethren in the seventeenth and eighteenth centuries the mass migration of the Czechs after the revolutionary year of 1848 and up to the early years of the twentieth century and the influx of refugees from Nazism and communism The encyclopedia has been planned as a representative a comprehensive and authoritative reference tool encompassing over 7 500 biographies This prodigious and unparalleled encyclopedic vade mecum reflecting enduring contributions of notable Americans with Czech roots is not only an invaluable tool for all researchers and students of Czech American history but is also a carte blanche for the Czech Republic which considers Czech Americans as their own and as a part of its magnificent cultural history

of salt approached me on the street and said You go girlfriend We re gray and we re proud and gorgeous We smacked high fives From Katherine Banning Wife Mother Bank Robber by Melissa Lugo Crazy you say Well wait till you hit 90 and realize you still want to live that even though you re way past menopause you want another child and that even though your breasts make tracks in the mud you still want a lover and that even though your hands shake there are still things that you didn t get to do like going to the Olympics and bringing home the gold things you want to do that you will do Then see what you re capable of And you ll be perfectly sane Senility temporary insanity it s all bull Old folks know exactly what they re doing One of the good parts about being an old fart is that you have a license to be loony tunes to live the wild way you didn t have the balls for before At 90 you see your dignity s gone the way of dirty diapers and your life is heading the same way fast You have nothing to lose except the moment From A Different Woman by Joan Kip My relationship with Seth is I tell him my great experiment He calls me on every one of my tightly held protections and his pleasure in meeting my body is matched by my own freedom to respond Ours is a relationship with no hidden agenda no commitments Our occasional evenings of uncomplicated delight are the intertwining of two desires who touch down and embrace one another knowing they will meet again sometime somewhere And while sex is not absent from our meetings it is rather my compelling ache to be touched and held and to touch and hold that pulls me back each time to Seth Like the newly born whose being depends upon the enfolding presence of a parent those of us who are now so old glow more warmly when we too may share our tenderness Still Going Strong counters demeaning stereotypes of little old ladies by offering positive empowering views of women over fifty It is a hopeful voice that speaks to any woman facing her own future *Sonnets and Salsa* Carmen Tafolla,2004 This major poetry collection is a fearless depiction of a Latina living in the best and worst of times **Heartbeats in Stones** Pamela Uschuk,2010-08-31 The poet s eye never misses the incongruity of things that cuts to the bone an obsidian scalpel of love that keeps racing with her in the space between life and death adoration and hatred It may be that balance is axiomatic but always it is imperiled a saving grace necessary and the eye nervously glancing between heaven and earth Pamela Uschuk is a political poet defiant in the face of injustice as well as a poet of Eros She s nobody s fool She resurrects in her poems the brutalized the murdered the lost of the world those who have no voice of their own She pulls them close And when she turns to the world s gliding wonders she does so with a precise eye and everything she sees is absorbed by her uniquely compassionate voice Dennis Sampson author of Constant Longing and Needlegrass **Thinking Continental** Tom Lynch,Susan Naramore Maher,Drucilla Mims Wall,Oliver Alan Weltzien,2017-01-01 In response to the growing scale and complexity of environmental threats this volume collects articles essays personal narratives and poems by more than forty authors in conversation about thinking continental connecting local and personal landscapes to universal systems and processes to articulate the concept of a global or planetary citizenship Reckoning with the larger matrix of biome region continent hemisphere ocean and planet has become necessary as environmental challenges require the insights not only of

scientists but also of poets humanists and social scientists Thinking Continental braids together abstract approaches with strands of more personal narrative and poetry showing how our imaginations can encompass the planetary while also being true to our own concrete life experiences in the here and now **Finding Peaches in the Desert** Pamela Uschuk,2000 This is the first collection of poetry by American Book Award winner Pamela Uschuk FINDING PEACHES IN THE DESERT won the 2001 Literature Award from the Tucson Pima Arts Council Luis Urrea wrote of this book Whether she writes of the sexy quiet of marriage or the lacerating political rage that bursts out of many of these pages Uschuk maintains the light that burns in her chest All the landscapes here from the desert s rumpled floor to the poet s own bed to the torture chambers of Chile are alive and vivid with this light Joy Harjo calls it a sensual garden **Calyx** ,2003 Finding Favor and the Secret of Rainbow Moor Yvette S.M.
