Finding Your People A Step By Step Guide For African Americans Tracing Their Roots

Gerald A. McWorter, Abdul Alkalimat

Finding Your People A Step By Step Guide For African Americans Tracing Their Roots:

The African American Experience in Cyberspace Abdul Alkalimat, 2003-12-20 The World Wide Web is the greatest source of information used by students and teachers media and library professionals as well as the general public There is so great a flow of information that it is necessary to have a tool for guiding one to the best and most reliable sources This important new guide to the African American experience in cyberspace fills this need for people in all areas of Black Studies and Multiculturalism There is no search engine list that can match the quality of sites to be found in this book Alkalimat provides an easy to use directory to the very best websites that deal with the African American Experience The first section covers every aspect of African American history while a second section deals with a diverse set of topics covering society and culture Each chapter has a brief essay extensively annotation on the five best sites for each topic and then a group of good sites and a short bibliography This book is designed for a course at the high school or college level This book should be kept near every home computer that people use to surf the web for Black content Most people have found out that the major corporations and governments have been the dominant uploaders of information into cyberspace This volume is different because it is a serious introduction to the full democratic use of the web These websites will introduce people to the people who are serious about ending the digital divide because they are busy uploading information about the most excluded and marginalized people the African American community Many of these sites are being established by Black Studies academic programmes as well as community based organizations and institutions

Roots Recovered! James E. White, Jean-Gontran Quenum, 2004 The authors provide valuable information specific for African travel and tracing African genealogy using traditional methods the Internet and DNA technology

Discover Your Family History Online Nancy Hendrickson, 2012-03-05 Your Guide to Online Genealogy The internet has made millions of records available to search any time anywhere Start finding your ancestors with just a few strokes of a keyboard using the detailed instruction in this book Inside you ll find An overview of where and how to start your family history research Detailed descriptions of the best online databases for family historians Hundreds of helpful websites to further your research Step by step search instructions to help you find exactly what you re looking for Chapters dedicated to finding specific records including birth marriage and death census military land and immigration Case studies that apply key concepts to real life searches Ideas for connecting with fellow researchers and distant relatives through social media blogging and newsletters Special resources for researching American Indian African American and Jewish ancestors Plus access to bonus online video demonstrations If you re curious about who s hanging out in your family tree there s never been a better time to find out Get this book get online and get started today

Genealogy for Beginners Katherine Pennavaria, 2020-02-27 A step by step guide to researching your family tree Interested in doing your family tree but don t know how Genealogy for Beginners covers everything you need to get started researching your family history or continue a project you ve already started You ll get practical suggestions from

an experienced genealogist and detailed step by step instructions for carrying out a quality family history research Topics covered include Getting started with a family history research project Discovering which subscription services are worth the price Using Ancestry com effectively Finding obituaries Interviewing family members Preserving and organizing paper and digital files plus photographs Getting the most out of DNA testing for genealogy Conducting cemetery research Finding and interpreting non US records Doing cultural and ethnic heritage research Finding professional researchers and translators Keeping up with the genealogy news With this book in hand you re sure to succeed The African American Experience In Cyberspace Gerald A. McWorter, Abdul Alkalimat, 2004 The World Wide Web is the greatest information resource used by students and teachers media and library professionals as well as the general public However it s often difficult to identify the best and most reliable web sites This easy to use guide is an indispensable handbook for anyone searching the web for information on Black Studies Multiculturalism and the African American Experience There is no search engine that can match the quality of resources to be found in this book Divided into clear chapters the guide highlights the best links and web sites covering every aspect of African American history society and culture Each chapter has a brief essay an extensive annotation on the five best sites for each topic and then a group of good sites and a short bibliography Ideal for students at high school or college level The African American Experience in Cyberspace should also be kept near every home computer used to surf the web for Black content Book jacket

The Best of Reclaiming Kin: Helpful Tips On Researching Your Roots Robyn Smith, 2015 This book is a compilation of blog posts from my popular genealogy blog Reclaiming Kin My blog is primarily a teaching blog and I aim to use my own research as a tool to discuss how to evaluate evidence and how to use the records I discuss family history research in a fun and engaging way with a special emphasis on African American families and the challenges of slave research *Subject Guide to Books in Print* , 1997

Finding a Place Called Home Dee Woodtor, 1999 I teach the kings of their ancestors so that the lives of the ancients might serve them as an example for the world is old but the future springs from the past Mamadou Kouyate Sundiata An Epic of Old Mali a d 1217 1257 Two major questions of the ages are Who am I and Where am I going From the moment the first African slaves were dragged onto these shores these questions have become increasingly harder for African Americans to answer To find the answers you first must discover where you have been you must go back to your family tree but you must dig through rocky layers of lost information of slavery to find your roots During the Great Migration in the 1940s when African Americans fled the strangling hands of Jim Crow for the relative freedoms of the North many tossed away or buried the painful memories of their past As we approach the new millennium African Americans are reaching back to uncover where we have been to help us determine where we are going Finding a Place Called Home is a comprehensive guide to finding your African American roots and tracing your family tree Written in a clear conversational and accessible style this book shows you step by step how to find out who your family was and where they came from Beginning with your immediate family Dr Dee Parmer

Woodtor gives you all the necessary tools to dig up your past how to interview family members how to research your past using census reports slave schedules property deeds and courthouse records and how to find these records Using the Internet for genealogical research is also discussed in this timely and necessary book Finding a Place Called Home helps you find your family tree and helps place it in the context of the garden of African American people As you learn how to find your own history you learn the history of all Africans in the Americas including the Caribbean and how to benefit from a new understanding of your family s history and your people s Finding a Place Called Home also discusses the growing family reunion movement and other ways to celebrate newly discovered family history Tomorrow will always lie ahead of us if we don t forget yesterday Finding a Place Called Home shows how to retrieve yesterday to free you for all of your tomorrows Finding a Place Called Home An African American Guide to Genealogy and Historical Identity takes us back step by step including Methods of searching and interpreting records such as marriage birth and death certificates census reports slave schedules church records and Freedmen s Bureau information Interviewing and taking inventory of family members Using the Internet for genealogical purposes Information on tracing Caribbean ancestry Tracing Your Scottish Ancestors Ian Maxwell, 2010-03-10 Scotlands history has been influenced by many factors the division between the Highlands and the Lowlands the feudal system the Reformation the industrial revolution that have shaped the countrys past and impacted on the lives of its people Tracing Your Scottish Ancestors is a lively and accessible introduction to this long complex and fascinating story It is aimed primarily at family historians who are eager to explore and understand the world in which their ancestors lived Ian Maxwell guides readers through the wealth of material available to researchers in Scotland and abroad He looks at every aspect of Scottish history and at all the relevant resources In addition to covering records held at the National Archives of Scotland he examines closely the information held at local archives throughout the country He also describes the extensive Scottish records that are now available online His expert survey will be essential reading for anyone who is researching Scottish history for he explains how the archive material can be used and where it can be found This pioneering book breaks new ground in that it offers a detailed social history showing how the lives of our ancestors changed over the centuries and how this is reflected in the documentation that has survived It will help family historians put their research in historical perspective giving them a better insight into the part their ancestors played in the past **Ebony** ,2001-04 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine Forthcoming Books Rose Arny, 2001 *NGS Newsletter* ,2003 *The Searcher* ,2006 **The Genealogical Helper** ,1991 **Books in Print Supplement** ,2002 **The Family Tree Guide Book** Family Tree magazine, 2002 Everything you need to know to trace your genealogy across North America **Forum** ,1998 *Heritage Quest* ,2003 Ebony ,2000 Tracing Your Ancestors Christine M. Morris, Dr Christine Morris, 1999 This is a straightforward guide to the maze of archival material and records which can be

used to rediscover the past The CD ROM shows how to create a personalised family tree
