Finding God In Everyday Life:

STORIES FROM THE TRAIL Cliff Hargrove, 2024-01-24 I spent some years in my early Christian life struggling Those early years were anything but wonderful I knew I needed to read through the Bible and have an early morning quiet time I just couldn't connect the dots between what the Bible said and what was happening in my real life What I needed was a story devotional that would relate to my life and also point to the truth I was reading in the Bible I noticed I had more joy reading the Bible when I was reading those daily scriptures along with a short story that helped the scriptures come alive so to speak You may find some of my stories outside the mainstream of church thought However they will bring you into the life of another person and hopefully help you connect the story with the truth of scripture I pray some of them will help you find God in your life's situations and circumstances If one story touches one person I'll consider that a success Purpose for Everyday Living Criswell Freeman, 2004-05 God has a plan for everything including you As a part of that plan He intends that you experience abundance and joy in this life and throughout all eternity But perhaps your vision of what God intends for your life is not as clear as you would like If so this book is intended to help This text uses scripture inspirational quotations and thought provoking essays to assist you as you examine God's unfolding purposes for your life You will show me the path of life in your presence is fullness of joy at your right hand are pleasures forevermore Psalm 16:11 NKJV **Finding God in Everyday Life** Kevin Coughlin, 1981 Purpose for Everyday Living Criswell Freeman, 2005 **Finding God in the Everyday** Lillie Ammann, 2017-10-24 We expect to find God in church and in our private devotions But have you ever wondered where He is the rest of the time especially when things go wrong With humor and poignancy author Lillie Ammann shares how she finds God in the everyday experiences of her life If you like the smell of cookies in the oven and watching reruns of The Waltons you will love the folksy flavor of Finding God in the Everyday Molly Noble Bull Christian romance author www.mollynoblebull.com Lillie has written a refreshingly insightful book Though at times I took a different theological point of view most often I found myself thinking of ways in which the Scriptures the stories and the heartfelt prayers could be applied to my daily life This book is practical inspiring and highly readable Terry L Sumerlin Conference speaker and author www.terrysumerlin.com Lillie Ammann shares stories from her life showing great insight in how God has used these experiences to help her and others grow in their faith This book will encourage everyone who reads it to look for God's hand in their daily lives Janet Kaderli Christian author www.janetkaderli.com I've been privileged to be Lillie Ammann's priest for 13 years She's like an onion lots of layers of wonderful experience with humor and talent And God has used those layers in her devotional book It in you will find Miss Lillie pithy direct and easily understood That comes out as we would have said in my military career loud and clear Some other things come out faith perseverance and a lifetime of learning at our Master's nail scarred feet things money can't buy Miss Lillie has applied the narrative of her diverse life to one point growing in the Grace and Love of Jesus Christ She's literally taken her life and given it to us to share what she's learned at each juncture It's a rare

gift and certainly one that will better our world as she shares her hope in Jesus through the vehicle of her remarkable perspective Read this and grow in Him Who is our Hope The Venerable Father CB Chip Harper Anglican Archdeacon Emeritus of San Antonio Texas Where s God is a question everyone asks particularly when life brings heartaches and difficulties Lillie Amman answers the question by pulling back the curtain allowing us to see and feel her personal struggles to find God s presence in the good the bad and the ugly of daily life Her message we too can find God when we stop look and listen Lillie writes with passion and emotion she allows us to walk beside her and see her discovery of God in her daily life Her stories are so real and compelling the book is hard to put down Each chapter includes two items from her experience a Bible verse showing God does show up and a prayer Where s God you ask He s here with us we can find Him in our daily life when we look Ben Ferguson Adopt a Chaplain You have within your grasp a key to Finding God in the Everyday or you would not be reading these sentences Know this and be prepared for its impact this little book may be God s way to help you do just that to find God in the everyday That said as my friend Lillie helps us learn though she never says it quite this way the fact is we don t really need to find God Nor does He need to find us He knows right where we are If we are honest we know right where He is too If we open our eyes we can see Him If we open our ears we can hear Him If we open our hearts we can know Him for He is not far from any one of us for in Him we live and move and have our being Acts 17 27b 28 the end I think you too will think of her as a friend The faith and stories shared in these pages are not only inspiring they are instructive They are helpful They are down home They are everyday They are otherworldly Read and be blessed Welcome to the life of knowing God in the miraculous other worldly plain ol everyday Fr J **God in Every Day** Deirdre Powell,2022-08-09 This book is intended as a guide to help each person in their prayer life The book explores various images of God and how He may be found in everyday life Reflections with suitable scripture references are provided Some of the images of God are very familiar ones such as God as Parent and God as Shepherd However other images of God are explored that may be less familiar to the reader such as God as Chef where we find God in food God as Artist where we find God in art and God as Gardener where we find God in the garden The idea is to explore various images of God that are drawn from everyday life in order to bring home the notion that God is present in the everyday For example in the chapter that details finding God in Art God as Artist the reflections relate to God as artist painter musician and writer and the examples of art music and writing are drawn from everyday life Specifically the art work was available to view at the local art gallery NGI at the time of writing the four pieces of music are easily accessible online as are the two poems It is hoped that this book will aid the reader in their prayer life and help them to experience God in ordinary life by exploring usual and unusual images of God *Finding God in Each Moment* Carol Ann Smith,Eugene Merz,2006 This guide helps find God in all your relationships Readers will become more attentive to the way the spirit leads them and perceive more clearly God s presence and action in the world by considering their relationships as the very places in which they daily experience God s guidance *Roses and Honeysuckle:*

Finding God in a World Come of Age Roger Haight,Alfred Pach,Amanda Avila Kaminski,2024-05-07 During his days in prison in Berlin Dietrich Bonhoeffer had time to read and reflect on the Enlightenment and to ask the question of how Christians might live in a world come of age One can interpret Karl Rahner s theological and pastoral writing as addressing that question Born in 1904 he lived through both World Wars to a ripe age of 80 and wrote 1651 published works Although his writing had a unique historical genesis and intellectual setting along with a technical vocabulary he consistently wrote out of pastoral concern in an effort to make Christian faith and belief credible in his Western European culture and the new post WWII context Probably his most important student was Johann Baptist Metz who was born in Germany 1928 conscripted into the army as a teenager and after it turned to the seminary and to theology He studied with Rahner in Innsbruck and received his doctorate in theology in 1961 and taught at the University of M nster for thirty years As Dorothee Soelle converted Bultmann s existential analysis into social commitments so did Metz give new social meaning to Rahner s transcendental theology in a time of social cataclysm Thus together Rahner and Metz not in competition but as complementary offer a distinctive response to the spiritual question of finding God in the present day secular world
