*Seeking the Lost, Keeping Them, Making Them Disciples* Dr. Benoit Petit-Homme, 2018-08-27 Seeking the Lost Keeping Them Making Them Disciples By Dr Benoit Petit Homme God bless Dr Benoit Petit Homme for all the work he has done in putting this book together I believe that any church or leader who will follow these biblically grounded principles will see beautiful results in changed lives for the kingdom Teresa L Reeve PhD Associate Dean Seventh day Adventist Theological Seminary Associate Professor of New Testament Contexts Andrews University United States of America Dr Benoit Petit Homme s contribution to the discipleship crisis is a compelling re examination of scripture church history and 21st century pastoral experience Practical and convincing his straightforward style brings real solutions to the evangelistic Achilles heels of attrition He reminds us of what has been forgotten and calls us back to our relational roots Pr Ron Kelly Senior Pastor Village Seventh day Adventist Church Berrien Springs Michigan United States of America Seeking the Lost Keeping Them Making Them Disciples by Dr Benoit Petit Homme is a handy Christ based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping retaining and nurturing new believing Christians This is a must read for church officers pastors and ministry directors in the Christian church Ron C Smith PhD D Min President Southern Union Conference of SDA Every year many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community Unfortunately it is also true that every year many new converts leave a church relatively shortly after joining The specific reasons that each person leaves the church could fill a book by themselves but they all boil down to one thing a lack of focus on the part of the church community on turning converts into disciples of our Savior A disciple of Christ does more than attend church services A disciple is an active member of the church community A disciple is a witness to others A disciple seeks to grow the church by seeking to lead everyone they meet to Christ Dr Benoit Petit Homme is a committed disciple of Christ and after extensive study of exactly why new converts leave the church he has developed a process by which any church can make disciples All it takes is a little extra work a bit of encouragement and an unwavering faith in the Lord **Song Birds, and how to Keep Them** E. Maling, 1862 **Paralysis in the Pew** Dr. Jeffrey T. Rainey, 2016-09-26 The author admits that the church has the highest unemployment rates The church has been gifted by the Lord with many vital ministries that are available for the growth of the body of Christ Sadly the greater percentage of members are neither enrolled nor engaged in the work of the ministry As a result very few members keep the local church functioning while the majority of the members because of what the author calls functional paralysis have neither feeling nor desire to function Too many congregants are a part of the membership but apart from the ministry Too many are unaware or uncaring concerning the needs of the body and of the bodys genuine need for them in order to effectively function What the author describes as paralysis in the pew is a grave yet growing spiritual condition within the local churches As a physical impediment paralysis has been drastically improved even cured with the aid

of physical therapy prescribed treatments and personal trust and initiative It is the authors contention that parallel treatments when viewed spiritually and applied in the spiritual and physical realm can drastically improve even cure paralysis in the pew
