The

Power of Picture Books Mary Jo Fresch, Peggy Harkins, 2009 Picture books aren't just for little kids. They are powerful and engaging texts that can help all middle school students succeed in language arts, math, science, social studies, and the arts. Picture books appeal to students of all readiness levels, interests, and learning styles. Featuring descriptions and activities for fifty exceptional titles, Mary Jo Fresch and Peggy Harkins offer a wealth of ideas for harnessing the power of picture books to improve reading and writing in the content areas. The authors provide a synopsis of each title along with discipline-specific and cross-curricular activities that illustrate how picture books can be used to supplement and sometimes even replace traditional textbooks. They also offer title suggestions that create a text set of supporting resources. By incorporating picture books into the classroom, teachers across the disciplines can introduce new topics into their curriculum, help students develop nonfiction literacy skills, provide authentic and meaningful cultural perspectives, and help meet a wide range of learning needs. *Bulletin of the Center for Children's Books*, 1997-02
