Brandon Keim

Fionas Bee:

Fiona's Bee Beverly Keller, 1977 A lonely little girl rescues a bee from drowning and suddenly finds herself with lots of new friends

The Writings of "Fiona Macleod" [pseud.]. Fiona Macleod, William Sharp, 1910 The Island God Sarah Painter, 2024-09-19 Mysterious magical and a little bit deadly Welcome to Unholy Island The close knit community on Unholy Island is protected by ethereal wards keeping the unusual residents and their secrets safe from prying eyes But the island is more than a sanctuary for the magically inclined and the not quite human and when the mayor goes missing the ramifications threaten the whole world The Island God is the captivating conclusion to the Unholy Island trilogy The Unholy Island series is set in the same world as the urban fantasy mystery series Crow Investigations but it can be enjoyed independently Praise for the Unholy Island series Sarah Painter is always a treat Charlaïne Harris NYT bestselling author The Confessions of Fiona Steve Blamires, 2025-01-14 The Confessions of Fiona by Steve Blamires details the beliefs stories and tenets of the Sidhe as revealed by one of the Sidhe Fiona Macleod For twelve years this faery woman laid out the entire mythology pantheon and rituals of the faeries themselves This volume reveals expands and explains what we can learn from her The Secrets of the Sidhe Revealed In 1893 the Scottish writer and mystic William Sharp 1855 1905 started writing under the name Fiona MacLeod The name Fiona did not exist before then at least not in our world For the following twelve years Fiona wrote profusely of her own tradition that is the mythology and deities that the faeries recognize None of these myths legends gods or goddesses were known to humans prior to Fiona s revelations Steve Blamires presents those concepts in his new book The Confessions of Fiona He has studied the esoteric faery tradition for thirty years He presents a unique ritual system previously unknown myths legends and gods and goddesses offering insight to the modern researcher of this fascinating nonhuman magical body of work Woven into the legends that the faeries share is a whole ritual magical tradition that humans can emulate with a basic knowledge of the Western magical tradition the four festivals the four magical tools and what has come to be known as pathworking But they are all significantly different from our human perspective Faeries are large shockingly powerful and at times cruel and dangerous Steve shows how and when these mighty beings of ancient times were literally shrunk to become the Tinkerbells of popular imagery Because of this important change of perspective Steve includes in this book an in depth look at the faery god Dalua a truly dark dangerous god but a necessary one To help readers access more of Fiona MacLeod s writings and teachings Steve has included an appendix detailing all her essential works and scores of relevant direct quotations throughout the book The Works of "Fiona Macleod".: The Winged destiny. Studies in the spiritual history of the Gael William Sharp, 1920 The Works of 'Fiona Macleod' Fiona Macleod, 1927 **The Writings of "Fiona Macleod."** William Sharp, 1910 *The Sins of the Mother* Ellen Tipping, 2017-12-22 It was her fathers funeral Fionas son Luke with insight and eloquence captured the exuberant essence of the man Edward arrived late and stood anxiously at the back his eyes locked on Luke as he spoke His timing had been exquisite painfully and tragically so He left

abruptly without speaking to the assembled family and friends Who was this man Why had he come Fiona was adjusting to a very different life in retirement She was engaged with both ends of the age spectrum reviving old friendships and exercising Ah Procol Harums A Whiter Shade of Pale It reminded her of Teddy She sat down on the park bench and took off her headphones puffing slightly The sun had come out Teddy had taken a photograph of the three of them here under this beautiful elm He had set up the camera on a tripod a few feet from where they sat on a rug with little Sophie They were both looking up at the camera smiling with infinite calm Increasingly dismayed by her sons distance and disdain and haunted by the past Fiona had an imminent sense of her own mortality and a desperate need for resolution with her beloved son The Sins of the Mother explores the fragility and complexity of family relationships It is about the helplessness confusion and anger of old age It is about a young child's unmediated experience of and response to his world It is about regret and the resurrection of the past It is about the pain of separation 69 Things To Do With A Dead Princess Stewart Home, 2012-03-01 This is where the novel has a nervous breakdown Anna Noon is a twenty year old student with a taste for perverse sex involving an enigmatic older man and a ventriloquist's dummy Anna lives in Aberdeen and her sex life revolves around the ancient stone circles in the region The sublime grandeur of the stones provides a backdrop against which Anna is able to act out her provocative psychodramas *Must Love More Kilts* Angela Quarles, 2017-08-28 What if your husband turns out to be the man sent to kill your ancestor A choice to make Highland Games fanatic Fiona Campbell believes her only value is her family's history myths and legends So when she travels back to 1689 Scotland and discovers she's the Fiona of family legend you'd think she'd be excited And she is Except that the legendary warrior she's to save her ancestor from is the hottie in a kilt she just handfasted A heart to heal Duncan MacCowan once trusted his heart to the wrong woman but when a strange lass drops into his life and pries open his heart again he impulsively handfasts her Yet before he can finish spinning fancies of their domestic bliss she flees on the night of their wedding leaving him even more convinced that he can't trust his instincts where his heart is involved A family legend that will tear them apart Fiona wants to shake her fist at Fate she finally meets the man of her dreams but can't have him because of the family legend Not cool Fate not cool Duncan believes he's just terrible at picking women and destined to be alone But as the heat of their attraction flares how far can they tempt Fate for love

Stories of Creativity, Women, Work and Wealth Asma Baig, 2014-10-31 This book is about women and their positions in businesses in the early twenty first century It is a study about how women's thoughts and behaviours the society organisations and necessity affects their work lives and careers The research conducted has investigated the gradual increase of women as business leaders and the factors that encourage this rise This was done mainly through primary research using questionnaires and interviews The research findings are divided into personal characteristics of women societal characteristics that help create them and organisational characteristics that sustain and promote women in work and leadership Through determining the causes that encourage certain women to pursue leadership positions in businesses this

research has outlined some ways how more women can aspire to take on leading roles The qualitative research also generated ideas such as help to women when career breaks become necessary for family reasons and the help available on returning back to work The findings show that more work needs to be done on understanding the value of contribution that women can bring to businesses in this modern age The Creativity section highlights the use of our minds and our imagination when we need answers to problems help from the forces of this universe and divine guidance

Meet the Neighbors

Brandon Keim, 2024-07-16 A true landmark in animal literature Mandatory reading Ben Goldfarb author of Crossings and Eager What does the science of animal intelligence mean for how we understand and live with the wild creatures around us Honeybees deliberate democratically Rats reflect on the past Snakes have friends In recent decades our understanding of animal cognition has exploded making it indisputably clear that the cities and landscapes around us are filled with thinking feeling individuals besides ourselves But the way we relate to wild animals has yet to catch up In Meet the Neighbors acclaimed science journalist Brandon Keim asks what would it mean to take the minds of other animals seriously In this wide ranging wonder filled exploration of animals inner lives Keim takes us into courtrooms and wildlife hospitals under backyard decks and into deserts to meet anew the wild creatures who populate our communities and the philosophers rogue pest controllers ecologists wildlife doctors and others who are reimagining our relationships to them If bats trade favors and groups of swans vote to take off by honking should we then see them as fellow persons even members of society When we come to understand the depths of their pleasures and pains the richness of their family lives and their histories what do we owe so called pests and predators or animals who are sick or injured Can thinking of nonhumans as our neighbors help chart a course to a kinder gentler planet As Keim suggests the answers to these questions are central to how we understand not only the rest of the living world but ourselves A beguiling invitation to discover an expanded sense of community and kinship beyond our own species Meet the Neighbors opens our eyes to the world of vibrant intelligence just outside our doors

Fiona the Firefly Wendy Connelly, 2003 Fiona a bug who sees nothing special in herself finds that her beautiful actions come to be reflected in her physical appearance

Reading Fiona Sampson Omar Sabbagh, 2020-07-15 This book length study of an eminent distinguished and influential poet and contemporary woman of letters integrates analysis and a honed interpretation of the near total gamut of the oeuvre to date of Professor Fiona Sampson The study includes biographical insight and synthesizes its rigorous discussions of the dominant rubric of Professor Sampson s poetic m tier her prose in different genres and the literary practices of over a decades long and much lauded literary career This critical work finds and displays incisive and fruitful ways by which the oeuvre in question crosses boundaries in literary writing and practices with fertile results and evidences those cross currents in a manner that indicates the trajectory of a sensibility or structure of feeling one which though highly intelligent and self aware is also deeply empathic A lucid coherent and compelling reading of Sampson s main works makes this book a scintillating study and a much needed contribution to the current work being done

on major contemporary poets and writers and in particular contemporary women figures in the British and international literary scenes **The washer of the ford, and other legendary moralities, by Fiona Macleod** William Sharp,1896
