**Subaltern's Share in the War** George Weston Devenish,1917 **Jacob Boehme** John Yost Stoudt,2004-10-08 Jacob Boehme the German religious mystic of the late sixteenth and early seventeenth centuries had an astounding influence on the history of Western philosophy The impact of his thought left its mark on such men as Hegel Schopenhauer Nietzsche Bergson Heidegger and especially through his ideas concerning creation and evil he was a power in the speculative theology of the nineteenth century This fresh study of Jacob Boehme s life and writings not only presents a concrete and vivid picture of Boehme s personal affairs and of the spiritual situation of Protestant Germany more than three hundred years ago it also demonstrates for the first time the development and growth of Boehme s thought Utilizing new biographical sources and newly discovered manuscripts the author has in addition analyzed Boehme s speculative system in its mature form after he

had worked through his strange symbolic language to a more traditional synthesis This is an objective examination of Boehme s life and thought It avoids depicting him either as a heaven blessed saint or a Baroque Faust On the basis of the evidence now available Dr Stoudt offers a new portrait of Boehme as the proponent of a theology that stresses feeling and intuition instead of reason and intellect As Paul Tillich states in his Foreword to this volume John Stoudt s book will be a help to all philosophers and theologians who desire an introduction to one of the most profound and strangest systems of Western thought strange in comparison to the prevailing method of modern philosophy profound in comparison with much theism in modern theology **The Commercial and Financial Chronicle** ,1908 *Publication* ,1995 *The Knickerbacker* ,1839
