## **Fire On The River The Story Of The Burning Of The Steamer General Slocum:**

**Fire on the River** Werner Braatz, Joseph Starr, 2000 On June 15 1904 about 1 200 members of the Lutheran Parish of St Mark located in the Lower East Side of New York City embarked on the excursion steamer GENERAL SLOCUM bound for a day's outing on Long Island Thirty minutes later fire broke out The crew most of whom had only been on the ship for a few days were unable to quench the blaze which was soon out of control Captain Van Schaick ordered full speed ahead and ignoring the shore 300 yards away made a frantic dash for a small island nearly two miles distant The wind made all the stronger by the swift movement of the ship drove the fire sternward where most of the passengers almost all of them women and children had taken refuge Many were burned to death but the great bulk drowned when they jumped into the river to escape the flames or fell in when the ship's handrail collapsed The official death toll was 1 031 It was America's second worst marine disaster It was quickly discovered that the life belts and fire fighting apparatus were useless Public opinion was outraged and the administration of President Theodore Roosevelt was seriously embarrassed when a report describing the utter incompetence of the Federal Steamboat Inspection Bureau was released The government dismissed several members of the Bureau and even brought one of the inspectors Henry Lundberg to trial three times but never won any of the cases In the end only aged Captain Van Schaick was made to pay for his own negligence as well as that of everyone else In 1906 he was sentenced to ten years at hard labor appeals kept him out of Sing Sing until 1908 when at the age of 71 he at last started to serve his sentence The old man's imprisonment was considered a monstrous injustice by many who bombarded the White House with letters and petitions asking for clemency Roosevelt stood firm After three and one half years in prison Van Schaick was paroled and a year later pardoned by President Taft Meanwhile St Mark's Parish or Little Germany as it was often called went into an irreversible decline The survivors attacked their leading clergyman Pastor George Haas for his handling of the thousands of dollars in relief money collected for the destitute More importantly many families affected by the tragedy moved away in order to forget the horror of the accident and within a few years one of the strongest ethnic communities in New York City had vanished

**The Burning of the General Slocum** Claude Rust, 1981 Describes the 1904 fire aboard the excursion steamship General Slocum in New York City's East River in which more than 1000 passengers died of burns and drowning

**History of the General Slocum Disaster by which Nearly 1200 Lives Were Lost by the Burning of the Steamer General Slocum in Hell Gate, New York Harbor, June 15, 1904** John Stuart Ogilvie, 1904 Ship Ablaze Ed O'Donnell, 2008-12-30 The true story of one of the greatest tragedies in New York history On June 15 1904 the steamship General Slocum was heading from Manhattan to Long Island Sound when a fire erupted in one of the storage rooms Faced with an untrained crew crumbling life jackets and inaccessible lifeboats hundreds of terrified passengers few of which were experienced swimmers fled into the water By the time the captain found a safe shore for landing more than 1000 people had perished It was New York's deadliest tragedy prior to September 11 2001 The only book available on this compelling chapter

in the city's history *Ship Ablaze* draws on firsthand accounts to examine why the death toll was so high how the city responded and why this event failed to achieve the infamy of the Titanic's 1912 demise or the 1911 Triangle Shirtwaist Factory fire Masterfully capturing both the horror of the event and heroism of men women and children aboard the ship as the inferno spread historian Edward T O Donnell brings to life a bygone community while honoring the victims of that forgotten day
