Patrick
Riddell

Fire Over Ulster is an indictment of ignorance and intolerance, and the author spares no one in his unbiased and poignant exposé of a serious situation and its causes. As he says in his Foreword: 'The story of Ireland is a sorry one. The English, throughout the centuries of their oppression of Ireland, never really tried to understand the Irish'. And, he contends, they do not make the attempt to-day. He recalls the vital help given by Ulster to Britain in two world wars, both militarily and industrially. This loyal assistance has been forgotten, the politicians at Westminster preferring to criticise Ulster for its present state of affairs rather than spare a word of gratitude for past deeds.

But it is not the English who receive the sharpest analysis, it is the Irish themselves. Mr Riddell is impartial in his judgment. Harsh words are reserved for the Irish Roman Catholic Hierarchy as well as for the Orange Order, for Ian Paisley as much as Bernadette Devlin. And, setting his dissection of the recent appalling events which have injured Belfast, Londonderry and indeed the whole of Ulster against an historical background, he has been able to show the path to near-ruin. There are few heroes on this particular stage, although Lord Craigavon, Ulster's first Prime Minister, and Terence O'Neill emerge almost unscathed, and the play is inevitably confused, containing as it does so many elements of prejudice, bitterness and sheer contrary stubbornness; but Patrick Riddell has brought great clarity, and charity, to bear on these fogged issues. 'Who could write a book about the Irish and be certain of anything?' he wonders. Without doubt, however, he

Fire Over Ulster:

Fire Over Ulster Patrick Riddell, 1970 **With the Ulster Division in France** Dorothy Gage Samuels, A. P. I. S., 2021-05-19 *With the Ulster Division in France* is a profound exploration of the intricate tapestry of experiences and narratives surrounding the Irish participation in World War I. This anthology offers a diverse selection of literary pieces ranging from poignant poetry to evocative prose capturing the multifaceted emotional landscape of those tumultuous times. The collection navigates through themes of sacrifice, identity, and resilience, confronting the brutal reality of warfare while celebrating the enduring spirit of camaraderie. Among the standout works, readers will find poignant reflections that encapsulate the shared grief and hope of soldiers far from home, illustrating the universal struggle of finding humanity amidst chaos. The contributing authors, including Dorothy Gage Samuels and the collective A P I S, bring together a wealth of perspectives grounded in rich literary and cultural traditions. Their collective voices draw from various historical and cultural movements, seamlessly aligning with broader discourses on war and national identity. This compilation serves as a testament to their shared commitment to depicting the diverse experiences of those connected to the Ulster Division, thus enriching the reader's understanding of this pivotal historical moment through a mosaic of viewpoints. Recommended for its insightful and nuanced exploration of wartime Ireland, *With the Ulster Division in France* is an essential read for those seeking to explore the complex interplay of culture, history, and personal narrative. The anthology offers an unparalleled opportunity to appreciate a myriad of perspectives, rendering a panoramic view of wartime consciousness. Readers are invited to immerse themselves in this compilation for its educational merit and its ability to provoke meaningful dialogue across the diverse interpretations of its contributing authors.

The Gun in Politics J. Environmental Data Service, 2000 *The Great War* Herbert Wrigley Wilson, Sir John Alexander Hammerton, 1917 The Great War in Irish Poetry Fran Brearton, 2003 *The Great War in Irish Poetry* explores the impact of the First World War on the work of W. B. Yeats, Robert Graves, and Louis MacNeice in the period 1914-45 and on three contemporary Northern Irish poets: Derek Mahon, Seamus Heaney, and Michael Longley. Its concern is to place their work and memory of the Great War in the context of Irish politics and culture in the twentieth century. The historical background to Irish involvement in the Great War is explained, as are the ways in which issues raised in 1912-20 still reverberate in the politics of remembrance in Northern Ireland, particularly through such events as the Home Rule cause, the loss of the Titanic, the Battle of the Somme, the Easter Rising. While the Great War is perceived as central to English culture and its literature holds a privileged position in the English literary canon, the centrality of the Great War to Irish writing has seldom been recognised. This book shows first that despite complications in Irish domestic politics which led to the repression of memory of the Great War, Irish poets have

been drawn throughout the century to the events and images of 1914 18 This engagement is particularly true of those writing in the troubled Northern Ireland of the last thirty years The second main concern is the extent to which recognition of the importance of the Great War in Irish writing has itself become a casualty of competing versions of the literary canon
