## **Firing Line:**

*By Motor To The Firing Line:* Walter Hale, 2014-06-13 Illustrated with 47 paintings and photos Walter Hale was a man of many talents actor writer artist and war correspondent before his life was cut short by cancer in 1917 It is fitting however that he was able to visit the front lines of the Western Front during the First World War for the sights and stories that he recorded with pen camera and paintbrush were well worth recording That he was in the right time and place he put down to good luck however it seems only fair to record that he seems to have made his own luck on what would be a hard driven tour of the beleaguered front As the author confirms in his introduction his work is not a military history but a portrait of the people places buildings and landscapes of Northern France and the effect of war on them War Surgery from Firing-line to Base Basil Hughes, 1919 **Army Boys on the Firing Line; or, Holding Back the German Drive** Homer

Randall, 2023-10-04 Homer Randall's *Army Boys on the Firing Line or Holding Back the German Drive* is a riveting tale of courage and heroism set during World War I The book follows a group of young American soldiers as they find themselves on the front lines facing the relentless onslaught of the German army Randall's vivid descriptions and attention to detail immerse readers in the chaos and danger of war capturing the harsh realities of battle with stunning realism Written in a gripping and fast paced style the novel keeps readers on the edge of their seats until the very last page Homer Randall's *Army Boys on the Firing Line* is a classic example of war literature offering a compelling look at the bravery and sacrifice of those who served in the Great War This book is a must read for anyone interested in historical fiction or military history providing a poignant reminder of the courage and resilience of those who have fought for their country **The Firing Line** Robert William Chambers, 2020-09-28 As the wind veered and grew cooler a ribbon of haze appeared above the Gulf stream Young Hamil resting on his oars gazed absently into the creeping mist Under it the ocean sparkled with subdued brilliancy through it shoreward green palms and palmettos turned silvery and as the fog spread the sea pier the vast white hotel bathing house cottage pavilion faded to phantoms tinted with rose and pearl Leaning there on his oars he could still make out the distant sands flecked with the colours of sunshades and bathing skirts the breeze dried his hair and limbs but his swimming shirt and trunks still dripped salt water Inshore a dory of the beach guard drifted along the outer line of breakers beyond which the more adventurous bathers were diving from an anchored raft Still farther out moving dots indicated the progress of hardier swimmers one in particular a girl capped with a brilliant red kerchief seemed to be already nearer to Hamil than to the shore It was all very new and interesting to him the shore with its spectral palms and giant caravansary the misty opalescent sea where a white steam yacht lay anchored north of him the Ariani from which he had come and on board of which the others were still doubtless asleep Portlaw Malcourt and Wayward And at thought of the others he yawned and moistened his lips still feverish from last night's unwisdom and leaning forward on his oars sat brooding cradled by the flowing motion of the sea The wind was still drawing into the north he felt it never strong but always a little cooler in his hair

and on his wet swimming shirt The flat cloud along the Gulf stream spread thickly coastward and after a little while the ghosts of things terrestrial disappeared All around him now blankness save for the gray silhouette of the Ariani A colourless canopy surrounded him centred by a tiny pool of ocean Overhead through the vanishing blue hundreds of wild duck were stringing out to sea under his tent of fog the tarnished silver of the water formed a floor smoothly unquiet Sounds from the land hitherto unheard now came strangely distinct the cries of bathers laughter the muffled shock of the surf doubled and redoubled along the sands the barking of a dog at the water s edge Clear and near sounded the ship s bell on the Ariani a moment s rattle of block and tackle a dull call answered and silence Through which without a sound swept a great bird with scarce a beat of its spread wings and behind it another and at exact intervals another and another in impressive processional sailing majestically through the fog white pelicans winging inland to the lagoons A few minutes later the wind which had become fitful suddenly grew warm All around him now the mist was dissolving into a thin golden rain the land breeze freshened blowing through distant jasmine thickets and orange groves and a soft fragrance stole out over the sea As the sun broke through in misty splendour the young man brooding on his oars closed his eyes and at the same instant his boat careened violently almost capsizing as a slender wet shape clambered aboard and dropped into the bows As the boat heeled under the shock Hamil had instinctively flung his whole weight against the starboard gunwale Now he recovered his oars and his balance at the same time and as he swung half around his unceremonious visitor struggled to sit upright still fighting for breath
