Finders Weepers:

Property and the Law of Finders Robin Hickey, 2010-01-20 Are finders keepers This most simple of questions has long evaded a satisfactory legal answer Generally it seems to have been accepted that a finder acquires a property right in the object of her find and can protect it from subsequent interference but even this turns out to be the baldest statement of principle resting on obscure and confused authority This first full length treatment of finders sets them in their legal historical context and discovers a fascinating area of law lying at the crossroads of crime obligations and property That on the same facts a finder might be thief bailee and or property right holder has clouded our conceptual analysis and prevented us from stating simply our rules about finding Nonetheless when the applicable doctrines and policies of our property law particularly the central concept of possession are explored and understood in the light of countervailing rules of crime and tort we can argue confidently that despite centuries of doubt and confusion English law has succeeded in producing a body of law that is theoretically and practically coherent *Property and the Law of Finders* makes this argument and will appeal to anyone specifically interested in the law of personal property and also to those with broader concerns about the evolution of common law concepts and their ability to yield workable practical solutions **The Jesus Experiment** Bill

Perkins, 2011-10-12 If you loved *The Purpose Driven Life* and *One Month to Live* then you ll love *The Jesus Experiment* Popular author and speaker Bill Perkins challenges you to spend twelve weeks discovering what it really means to live like Jesus More than a book it s an invitation for you to try becoming like him in your feelings thoughts words and deeds Each week you ll focus on a different aspect of Jesus life including how he faced his fears how he talked with God and how he helped others As you examine your own life in light of the Lord s you ll be amazed at how your mind and heart will change to more closely reflect his **Women and Crime in Post-Transitional South African Crime Fiction** Sabine

Binder, 2020-11-16 In this ground breaking study Sabine Binder analyses the complex ways in which female crime fictional victims detectives and perpetrators in South African crime fiction resonate with widespread and persistent real crimes against women in post apartheid South Africa Drawing on a wide range of crime novels written over the last decade Binder emphasises the genre s feminist potential and critically maps its political work at the intersection of gender and race Her study challenges the perception of crime fiction as a trivial genre and shows how in South Africa at least it provides a vibrant platform for social cultural and ethical debates exposing violence misogyny and racism and shedding light on the problematics of law and justice for women faced with crime All In Mark Batterson, 2013-09-24 Christians who want to

take the next step in their faith walk need look no further It s time to ante up and go all in with God The Gospel costs nothing You can t earn it or buy it It can only be received as a free gift which is compliments of God s grace It doesn t cost anything but it demands everything It demands that we go all in putting all that we have into God s hands But why do so many Christians hesitate to do that And when did we start believing that the Gospel is an insurance plan We re afraid that if we go

all in that we might miss out on what life has to offer But Jesus did not die to keep us safe He died to make us dangerous So let s step out of spiritual no man s land and kneel at the foot of the cross of Christ and surrender to his lordship It s time to dethrone yourself and enthrone Christ as king and Pastor Mark Batterson is here to show you how Using his customary vivid contemporary illustrations as well as biblical characters like Shamgar Elisha Jonathan and even Judas you will be challenged to trade what Batterson calls inverted Christianity for true discipleship as you strip away your excuses and inhibitions and follow God completely It s now or never Are you ready to go all in and all out for God Also available All In student edition video curriculum and study guide **Marveling with Mark** Steven A. He insists it's not by design there has simply been a lot going on in Texas Astute readers will note however that Trillin's family immigrated to America through the port of Galveston and after reading this book many will believe the Lone Star State has somehow imprinted itself on his imagination Trillin on Texas gathers some of his best writing on subjects near to his heart politics true crime food and rare books among them that also have a Texas connection Indulging his penchant for making snide and underhanded jokes about respectable public officials he offers his signature sardonic take on the Bush dynasty and their tendency toward fractured syntax a faux but quite believable LBJ speech and wry portraits of assorted Texas county judges small town sheriffs and Houston immigration lawyers He takes us on a pilgrimage to the barbecue joint that Texas Monthly named the best in Texas and describes scouting for books with Larry McMurtry He tells the stories of two teenagers who dug up half a million dollars in an ice chest and of rare book dealer Johnny Jenkins who was found floating in the Colorado River with a bullet wound in the back of his head And he recounts how redneck movie reviewer Joe Bob Briggs fueled a war between Dallas's daily newspapers and pays tribute to two courageous Texas women who spoke truth to power Molly Ivins and Sissy Farenthold Sure to entertain both Texans and non Texans Trillin on Texas proves again that Trillin is one of America's shrewdest and wittiest observers
