**Finding Freedom in Forgiveness** Laronda D. Hannans Howard, 2017-01-08 I wrote this book to help individuals find freedom in forgiveness This book is also designed to help others understand the magnitude of God s love for them in spite of past mistakes and sins I have repeatedly learned over the years that God loves us no matter the mistakes or sins we have made in the past He especially wants us to let go of those who hurt us forgive them and set ourselves free to live life to the fullest From my own journey with forgiveness I realized that things were not working in my life because I had not dealt with unforgiveness in my heart Furthermore I realized you must deal with it in order to heal and move forward in life Matthew 6 14 15 NIV states For if you forgive other people when they sin against you your Heavenly Father will also forgive you But if you do not forgive others their sins your Father will not forgive your sins Often our blessings from God are held up because we have unforgiveness in our hearts It is up to you to release it Some of you may be asking yourself how can I forgive someone who has hurt me Why should I forgive them What are the steps to forgive So I am expected to forgive and forget what a person did to me Who benefits from me forgiving someone How do I forgive How can I forgive myself when I did something so bad Why am I required to forgive What are the benefits Why does it matter so much What if I am the one seeking forgiveness and the person does not accept it Why am I required to forgive when I was not the one who caused the issue I understand your questions and concerns I had to deal with these same thoughts and concerns when I began the process of forgiveness Throughout this book I will share my personal journey to finding my freedom in forgiveness It is my prayer and hope that you will FIND YOUR FREEDOM IN FORGIVENESS too LaRonda Hannans Howard CPLC MPH CEO and Founder of HOPE Empowerment Resources LLC *Finding Freedom in Forgiveness* Howard Katz, 2016 **Finding Freedom in Forgiveness** Howard W. Katz, 2015 *Finding Freedom from a Broken Past* Women of Faith, 2008-04-08 Twelve weeks of Bible study for individuals or groups A new special edition installment in this best selling series Leader s Guide included *Finding Freedom and Grace in a Broken World* Thomas M. Stallter, 2024-02-09 We have been brought up to see things in a particular way to interpret our experience and respond to events people and even to God in cultural and personal ways This has given us a frame of reference that undergirds all else we know trust and love in life as well as all we question distrust and hate But this foundation is not without its cracks We live in a broken world and it has influenced us more than we know Various Christians give us advice but we often find ourselves stuck in the emotional pain of past experiences We may not realize how much it controls our thinking and we wonder why we are unable to experience the freedom and peace Jesus talks about But things are not always what they seem we need to see them as they are not as other influences have shaped them It is time we let God speak for himself on the matter This book turns our minds to trust and

freedom in our walk with God It leads us to know God s grace providence and purposes in a way that changes our lives and experiences in this broken world from this day on      **God, Why Do You Love Me?: Cognitive Dissonance - Finding Freedom From Shame** , Have you ever felt discarded unworthy dirty Do you feel chained down by shame and regret Do you look at yourself and wonder how you could ever be clean Would you believe me if I told you there really is a way One that works A way from pain to freedom From shame to acceptance From loneliness to being loved more than you could possibly imagine By picking up God Why Do You Love Me you just took the first step The first step toward freedom from shame onto a path of transformation healing and invigoration How do I know this Because I walked the same path lived shackled in the same chains of shame and was led by God on that same miraculous journey Why Because God loves us as we are knows exactly how we feel and still wants a relationship with us He wants a relationship with you RIGHT NOW Though hurt and pain may distance your heart from Him His specialty is broken people Trust me I know Just as doctors perform surgery to heal God desires to do the same for us Through sharing my story and how God has written His story of redemption in my life and on my heart I hope that you can reflect on your story and how God is waiting and ready to transform your own hurting heart as He did mine Please take this step with me on this journey of healing and learn who God created you to be

*Finding Freedom in Confinement* Kent R. Kerley Ph.D.,2018-01-25 What is the nature and impact of faith and religion in prison This book summarizes contemporary and cutting edge research on religion in correctional contexts enabling a scientific understanding of how prisoners use faith in their everyday lives Religion long has been a tool for correctional treatment In the United States religion was the primary treatment modality in the first prisons Only since the 1980s however have social scientists begun to study the nature extent practice and impact of faith and faith based prison programs Bringing together the knowledge of scholars from around the world this single volume book offers readers a science and research based understanding of how prisoners use faith in everyday life examining the role of religion in prison correctional contexts from a variety of interdisciplinary and international viewpoints By considering the perspectives of professionals actually working in corrections or prison settings as well as those of scholars studying religion and or criminal justice readers of *Finding Freedom in Confinement* The Role of Religion in Prison Life can gain insight into the most contemporary research on religion in correctional contexts The book contains data driven conceptual and policy oriented essays that cover major religions such as Christianity Judaism and Islam within correctional environments It also addresses subject matter such as the roles of prison chaplains and correctional officers and the relationships between religion and common aspects of prison life such as drug abuse gangs violence prisoner identity rights of prisoners and rehabilitation      *Finding Freedom in God's Promises* Beth Gable Hicks,2016-06-03 After I wrote my last book *The Importance of Christian Friendships In Good Times* and in *Bad* I began to think about how many of the attributes of Christian friendships are grounded in faith This is the same faith that leads us to believe in God s promises I don t know if you have ever tried to count how many promises there are in

the Bible they are almost impossible to numerate Yet that did not dissuade me I began to turn to the Bible and meditate on some of the more significant promises Then I began to ask myself how my life would be different if I truly believed God s promises What if we all believed God s promises and acted accordingly I am convinced that if we have faith and believe in God s holy nature we can then accept that He is who He says He is It is then just a short step to knowing that He will do what He says He will do and we can trust in His promises God s promises are very precious Not only do they remind us of His personal interest in our lives but they provide us with hope and encouragement I would also contend that accepting His promises turns religion from something that seems restrictive to something that is truly liberating As you will read in the book we can find freedom in God s promises We can find freedom from condemnation freedom from want freedom from fear freedom from hopelessness freedom from grief and freedom from worry just to name a few I hope the reader will find renewed encouragement from this book and new faith in a faithful God

*Finding Freedom* Neil R. Oliver, 2017-05-15 You don't have to keep suffering living in defeat and darkness because you are unequipped with the truth needed to eliminate all the lies deception and fear you're experiencing due to the unexpected events in life unwanted situations and times when your circumstances seem to be spiraling rapidly out of your control Don't do it Don't believe there is no way out You can escape You will escape Believe it The trials we face are the perfect opportunity to receive lies be deceived and remain in a permanent state of fear Unequipped with the truth we are quickly disconnected from who we really are and all we are capable of The consequences of believing lies to be the truth allowing ourselves to be deceived and accepting fear to be our reality always lead to personal defeat Finding freedom is possible The lies will convince you otherwise deception will have you believing there's no way out and fear will keep you permanently trapped Don't believe it Don't accept lies deception and fear to be your truth Let God's truth be your truth Get ready to break free from everything
