## **Finding Jesus In The Gospels:**

Finding Jesus in the Gospels Robert Knopp, 1989      **The Case of the Missing Person** R. Earle Rabb, 2009-01-01 A famous person is missing The human Jesus of Nazareth is missing from the creeds of the church missing from most of the New Testament and hidden within the four New Testament gospels It will take an exciting piece of detective work to find him and upon finding him there will be a big surprise He may not turn out to be the person the reader expects to find Finding Jesus of Nazareth can transform churches communities and individuals in unexpected ways Many people today are being drawn to the original message of Jesus apart from the image of Jesus proclaimed by the traditional church There is a hunger for the values Jesus proclaimed and practiced This book will help everyone religious or not discover the human Jesus and his original vision of new communities of equity social justice and shared resources as well as discover what that means in our modern world      Finding Jesus, Discovering Self Caren Goldman, William Dols, 2006 Inviting readers to see Jesus with new eyes this volume is ideal for personal reflection or group study and is a unique resource for the Lenten season      *Finding Jesus Christ in the Gospel of John* S. D. Wonenberg, 2016-11-08 A daily devotional book that goes beyond casual reading There are many who may want religion to just make them feel good about themselves But there are others who recognize our need for a Saviour and a need for God We come to contemplate and to worship with the hopes of meeting Someone God has given us a great Gift in His Son Jesus Christ For those who would come to know God this Gift is indispensable Jesus is called The Way The Truth and The Life If we can come to know Him in a deep and meaningful Way then He can bring us safely to the Father To know Jesus we must ask ourselves some pretty important questions We must ask first if we really do want to know Him From this small beginning there is no limit to the discoveries in Him that we may make Eternity cannot hold them all But each question and each discovery can be made with Him and through Him So we have hope This book is an attempt to walk through some of the things we should experience and learn about our Saviour our faith and our immediate walk with Him Every daily chapter begins with the Bible In fact the Bible is our tool for discovering God Therefore we go to the Scriptures with an eye to bring life into them We study the Bible to make them come alive and pertinent to us today We examine questions any believer might want to ask themselves if they are serious about making their religion real and effective Then we close with a prayer Prayer is where we bring ourselves before the Lord and connects what we have experienced with Him This book is part of a series of books each walking us through the Gospels of the life of Jesus Christ      **Finding Jesus in the Old Testament** David Limbaugh, 2015-11-09 A New York Times Bestseller In Finding Jesus in the Old Testament David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ's arrival through all thirty nine Old Testament books The key to the secrets of the Old Testament Limbaugh argues is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus With that key and with Limbaugh as a deft guide readers of Finding Jesus in the Old Testament will come to a startling new understanding of the Old Testament as a clear and powerful

**INTRODUCTION** David Limbaugh begins his introduction with the story of the trial of the Apostle Paul a former Jew and ardent persecutor of Christians who converted to Christianity After his conversion Paul ministered to Gentiles but also had an enduring love for Jews and therefore decides to visit Jerusalem at the end of his third missionary journey where he is accused of blasphemy and defiling the Jewish Temple by bringing Gentiles into it Beaten arrested by Roman authorities and standing on trial before Governor Felix in Caesarea Paul gives a speech that proclaims his faith in Christ and also declares common ground with the Jews Paul goes on to affirm his belief in the Old Testament Scripture of the Jews and insists that according to the Way Christianity he still worships the God of the Jewish fathers and is indeed preaching the truth of the Law and the Prophets whom his accusers accept that there will be a resurrection from the dead of both the just and unjust Two years later in prison an investigation gives Paul the opportunity to again stress his innocence by decidedly affirming the Jewish religion saying nothing but what the prophets and Moses said would come to pass that the Christ must suffer and that by being the first to rise from the dead he would proclaim light both to our people and to the Gentiles Acts 26 22 Paul is sent to a prison in Rome where he continues to evangelize visitors writes his Prison Epistles Ephesians Colossians Philemon and Philippians and according to Christian tradition died as a martyr It is the goal of the author with this book as he explains after the story of Paul to demonstrate that with the benefit of later revelations we can see truths in Scriptures that weren t evident to people in Old Testament times The author explains how he had first studied the Bible and struggled with understanding the big picture especially the Old Testament Over time he took a more systematic approach to studying it and became more comfortable with the material He soon desired to share what he had learned and attempted to publish a primer but failed After his work on the Christian apologetical book Jesus on Trial which he found to be the most satisfying of his career the author became excited to work on one that would help others to understand how just as the Old Testament is foundational to the New our basic understanding of the Old Testament is crucial to our comprehension of how Christ dominates its pages The Emmaus Code is that book and the author believes that decoding the Emmaus road the hidden dialogue of the resurrected Christ with the two men on the road to Emmaus is the key to understanding the entirety of Scripture Limbaugh describes the format of The Emmaus Code and how it is written for the layperson that he begins with a historical summary that outlines the flow of the Old Testament Next he outlines prophecy typology and covenants among other evidence that point to Jesus Christ of the New Testament He emphasizes recurring themes that are consistent across different contexts and settings particularly those that focus upon the people of Israel who

repeatedly disobey and sin against God but to whom God consistently bestows blessings upon when they are obedient and faithful The author stresses that The Emmaus Code is a primer which like a study guide can enhance biblical understanding and hopes that his enthusiasm for the Bible is contagious Available on PC Mac smart phone tablet or Kindle device c 2015 All Rights Reserved Dictionary of Jesus and the Gospels Joel B. Retrieving Apologetics Glenn B. Siniscalchi, 2016-01-07 Given the popes recent statements of their desires to implement the New Evangelization it is imperative that Catholic theologians and other intellectually engaged laypersons retrieve the vital discipline of apologetics For the New Evangelization places particular emphasis on repropounding the Gospel to those who have experienced a crisis of faith due to secularization One salient method of Catholic apologetics used to be characterized by three demonstrations each of which assumes the conclusions established in the previous step s Some might think that this classical method of apologetics has been abandoned in the postconciliar Church but Siniscalchi s book updates it Unlike the classical apologetics of the preconciliar era Siniscalchi engages contemporary scholarship in a variety of academic disciplines such as philosophy history biblical studies sociology and theology to develop the steps that are necessary for showing the reasonableness of faith Answering Jihad and Seeking Allah, Finding Jesus Collection Nabeel Qureshi, 2016-03-08 This
