Finding Palestine Liza Elliott, 2002 In 1948 Secretary of State George Marshall told President Truman he d not vote for the president s re election should he recognize Israel and warned that the establishment of a Jewish state in Palestine would lead to war More than 50 years later war rages on with America giving 3 billion annually in aid to Israel Has America s one sided policy led to terrorism on all sides Liza Elliott Ph D explains here the ways the truth about the Middle East has been covered up and runs contrary to everything Americans have learned This book examines what politicians don t want you to know about U S foreign policy in the Middle East and the reason Palestinian children find martyrdom attractive She also discusses ways America has derailed the Palestinian statehood and supported ethnic and religious cleansing while sidestepping the Geneva Convention Dr Elliott describes what life is like inside the occupied territories where America spends 10 million a day to push Palestinians off their land *Choice*, 2002 :★★★★★ 0000000000 00000000 00 0000000

unforgettable journey which takes him from bustling bazaars to underground brothels he meets all kinds of characters a falafel cook who hates Americans because they have no mercy a kindly baker who wishes him peace and blessings every time he buys pita bread and the curious impassioned 21 year old medical student with a penchant for debating U S foreign policy From the angry streets of Cairo to the living rooms of ordinary people in Jordan and Palestine Orbach offers an honest balanced portrait of a region in turmoil and the vivid misunderstood and often welcoming people who inhabit it With humor and wit he sheds new light on a culture that few Americans understand Engaging and evocative Live from Jordan is a myth breaking book that combines the lyricism of a travelogue with the insight of reportage *The Colonization of Palestine*, 1992 *Lest the Civilized World Forget*, 1992 **Underground to Palestine** I.
