Finding Sophie:

Finding Sophie, 2002-08 *The Lost Art of Finding* Alan Haehnel, 2016-01-01 Say what you will about Sophie she is focused On Something a crucial Something and she won't give up until she has It A pushy salesman a mob of celebrity hounds the celebrity himself even a well meaning potential friend will not distract Sophie from her quest This large cast gender flexible one act will both entertain and intrigue inviting viewers to question what their particular Something is and how far they will go or should go to get It Dramedy One act 25 30 minutes 10 30 actors **Finding Fame** Paul Baker, 2021-11-08 Paul Baker has experienced many ups and downs in his life but it's how he dealt with these moments and learned from them that really sets his story apart He is accustomed to failure having learned how to turn negative experiences into positive outcomes and he continues to remain focused on his ambitions by continually setting himself new goals Covering themes such as ambition determination and the importance of mindset and exercise when it comes to personal growth Finding Fame illustrates Paul's drive to constantly improve both himself and his life Paul has enjoyed many major milestones over the years from being awarded the Kyokushinkai Karate black belt at just age 16 to serving with the British Army a career that led him all over the world to places like Belize and the Falkland Islands This book showcases how important it is to fail in life to get knocked down but then to rise up again stronger and wiser and ready for the next obstacle His martial arts background and army training taught Paul the importance of discipline and resilience traits he took with him and used in all other areas of his life Underlining everything he does is his knowledge of how your mindset can set you up for success and the understanding that bad experiences aren't ultimately bad as they can teach you the tools and techniques you need to navigate through the challenges of life Paul also understands the power of setting goals in life and in being ambitious with those goals Without a clear set plan you won't know which direction to go in which path to take and even if you end up going down a path you hadn't previously considered you simply have to take that first step What you learn along the way is often far more important than the destination you initially had in mind Paul acknowledges the impact his environment had on him when he was younger from his home life to his schooldays and his extracurricular activities He attributes his positive growth mindset to several people from his youth his parents his middle school teacher and his martial arts instructors These individuals moulded who he was as a person and encouraged him to view circumstances and obstacles from a different perspective by shifting his mindset he opened himself up to all the wonderful opportunities this world has to offer Exercise is another key theme in the book Paul looks at how it's helped him physically and mentally As he says the earlier you start physical activity the faster the payback in all areas of your life Not only does exercise improve your health and help with weight loss but it also encourages a happier more positive mindset increases your energy levels and gives you the confidence required to go after what you really want Without exercise Paul simply would not have accomplished everything he's achieved in his life so far Finding Fame also looks at the music and world events that shaped Paul's adolescence as he grew

up in the 80s as well as his fitness victories including the time he climbed Mont Blanc a personal challenge he set himself to celebrate his 40th birthday This book is an excellent example of how mindset is everything how failure is a learning experience and that in order to keep growing as a person you simply must carry on no matter what Finding Fame will give you the knowledge motivation and inspiration you need to identify your goals and go after what you really want in life

Finding Francis Elizabeth J. West, 2022-12-08 Winner of the 2023 College Language Association Book Award Finding Francis finding family freeing history Francis is found Beyond Francis a family is found in archival material that barely deigned to notice their existence This is the story of Francis Sistrunk and her children from enslavement into forced migration across South Carolina Georgia Alabama and Mississippi It spans decades before the Civil War and continues into post emancipation America A family story full of twists and turns Finding Francis reclaims and honors those women who played an essential role in the historical survival and triumph of Black people during and after American slavery Elizabeth West has created a remarkable biohistoriography of everyday Black resistance grounded in a determination to maintain enduring connections of family kinship and community despite the inhumanity and rapacity of slavery There is inevitable heartbreak in these histories but there is also an empowering strength and inspiration the truth of these lives will indeed set us all free

Finding Your Voice Frank Saliki, 2022-07-21 For 20 years of his life Frank had always tried to find a place to belong in the world that seemed to do its very best to make him an outcast Frank's life changed when he discovered that all the troubles he had gone through had come with opportunities In the world that keeps telling us to change who we are and become something else Frank discovered that the route to a happy and fulfilling life was hiding in the trials and tribulations he had gone through In the world where we are being told to fix ourselves Frank encourages his readers to find their true self because that is where their voice is In the world that tells you that you need more money a bigger house and a lot of friends in order to be happy Frank encourages his readers to go on a journey to discover who they are Finding your voice begins with Frank being bullied on day one of primary school as a six year old to eventually finding his true voice in his late twenties Every chapter consists of lessons that every experience good or bad taught him and how they are serving him today and how they can serve the reader It is a journey full of tears laughter suicidal thoughts and eventually arriving at a meaningful place in life From being scared of speaking to people to winning speech contests to inspiring thousands This is the story of how six year old Luanshya Northern Zambia who had nothing going for him but a dream how he used his past to arrive at meaningful place in his life
