## **Finding And Following Talking With Children About God:**

Helping Children Find God Helen Oppenheimer, 1995-12-01 A realistic straight forward approach to exploring one's faith and doubts and talking with the next generation about important spiritual issues A child's spiritual pilgrimage begins from the earliest moments of life and is shaped by the significant adults in the child's ever expanding world Yet often adults have an inadequate or unclear understanding of their faith and are unsure how to impart their own Christian beliefs to their children in a credible and meaningful way Oppenheimer offers guidance for adults who seek ways for themselves and for their children to live with the questions with a faithful openness and deep sincerity She presents the possibilities for adults to become as little children in their faith without naivete and for children to grow in wisdom and stature without the need for dogmatic certainties An encouraging book for those who face the challenge of living out the Christian commitment of maintaining the balance of being true to Christ while being true to one's self and one's children *Christian Faith for Handing On* Helen Oppenheimer, 2014-09-25 What is the truth about the universe and its inhabitants Helen Oppenheimer has carried out a balanced and rational inquiry into the existence of God to bring us closer to answering this question Here she uses her findings to construct and argue her case for a responsible Christian faith rooted firmly in the facts Christian Faith for Handing On offers readers a progress report on the live possibility of faith in an era of human suffering that can at times seem to render it futile The author deftly tackles difficult questions and deconstructs objections to Christianity to equip and reassure believers showing how they can learn from the sceptics in order to eschew comfortable complacency in favour of reason This engaging and thought provoking work will grip and challenge thinking Christians and atheist enquirers alike with its current and comprehensive apologia of Humanist Christian faith Oppenheimer's scholarly approach ensures that the book will also prove an invaluable resource for academics and students of theology and philosophy Talking with Your Kids about God Natasha Crain, 2017-10-17 Christian parenting is hard work and it's getting harder Parents have a deep desire to pass on their faith but fear that today's increasingly skeptical and hostile world will eventually lead their kids to reject the truth of Christianity That leaves many parents feeling overwhelmed uncertain of what they can do to help their children given the difficulty and extent of the faith challenges they will face This practical and timely resource gives parents the confidence of knowing what to discuss with their children and how to discuss it in order to facilitate impactful conversations that will form the basis of a lifelong faith In a friendly parent to parent voice Natasha Crain identifies 30 specific conversations about God that parents must have with their children organizing them under the categories of the existence of God science and God the nature of God believing in God the difference God makes Chapters are sequenced in a curriculum oriented way to provide a cumulative learning experience making this book a flexible resource for use in multiple settings homes church classes youth groups small groups private Christian schools and homeschools Every chapter has a step by step conversation guide with discussion questions and tips and content is readily adaptable for use with kids of any

age elementary through high school Endorsements My prayer is that God will use this book to both motivate and equip you to help your kids develop convictions about their faith From the foreword by Sean McDowell PhD Biola University professor speaker and author of more than eighteen books including *A New Kind of Apologist* I can't think of a more relevant or more needed book for parents raising kids in today's culture This book on apologetics will lead parents in critical conversations that will help grow and guide kids to be lifelong followers of Christ Kristen Welch author of *Raising Grateful Kids in an Entitled World* Hey parents Do you want to reduce the chances that your child will follow the crowd to the point of rejecting Christ and the values and truths you hold so dearly Then you need to have the conversations that Natasha Crain so brilliantly describes in this book Prevent heartbreak later by reading and heeding this book now Frank Turek PhD president of CrossExamined Ministries and author of *I Don't Have Enough Faith to Be an Atheist* and *Stealing from God* May this book lead to thousands more Moms and Dads engaging with their kids through an intelligent faith And may there be tens of thousands more kids who feel loved because the adults in their lives take their questions seriously Jeff Myers PhD president Summit Ministries [The Family in Theological Perspective](#) Stephen C. *Follow Me* Brian Kannel, 2012-12 Jesus said Follow me So where did everyone go The call to follow is clear The path however particularly in the Western world is not often traveled While the call to discipleship is far from easy it is not complex Despite its clarity both survey results and observation show that we are simply not becoming more like Jesus What is your plan to follow Jesus Programmed approaches to discipleship of various kinds tend to fall short A certain program might work well for some but that same program seems to be nearly impossible for others In *Follow Me* Brian Kannel challenges you to move beyond the programs Rather than detailing a specific structure he outlines seven broad values and those values form a constantly moving process of growth in faith *Follow Me* tells the story of one local church seeking to get serious about discipleship and calls each of us to do the same thing Will you follow Him Brian Kannel is the Lead Pastor of York Alliance Church a growing cell church in south central Pennsylvania He is also the author of numerous study guides including *Discipleship According to Jesus* and *Up in*
