Finding Christ In The Old Testament:

Finding Christ in the Old Testament: Searching Out How the Early Church Supported the Doctrines of Christ from only the Old Testament William Waddell, PhD., ThD., 2014-10-13 So the modern believer may be encouraged to search out Jesus not only in the New Testament but also in the Old The early church even though they had only the Old

Testament did not lack in Scriptural backing when they preached and taught about Jesus The modern church should be as well armed having both the Old and New Testament at its disposal Beginning at Moses Michael P. V. Barrett, 2018-08-15 For many Christians today the Old Testament is difficult to understand seems outdated and has questionable relevance But as Old Testament scholar Michael Barrett points out all Scripture is inspired by the Holy Spirit and we must read it by faith seeing that Christ is the key to unlocking the Old Testament s message With great knowledge of and contagious passion for the Old Testament the author shows readers how to identify basic characteristics of Christ and where to look for Him throughout the Old Testament The author challenges us God s promise throughout the Bible is that those who seek Him will find Him Beginning at Moses and ending with Malachi we want to be on Christ alert Table of Contents Part 1 Whom to Look For 1 Jesus the Messiah 2 The Person of Christ 3 The Work of Christ Part 2 Where to Look 4 Christ in the Covenants 5 Christ in Person 6 Christ in His Names 7 Christ in Word Prophecy 8 Christ in Picture Prophecy Explained 9 Christ in Picture Prophecy Illustrated 10 Christ in Song **Finding Christ in the Old Testament** Benjamin M. FINDING CHRIST IN THE OLD TESTAMENT. BRIAN. JOHNSTON, 2021 **Finding Christ in the Old Testament** Dorothy Russell, 2003-01 Replaced by a new edition 9781845506988 **A Picture of Christ in the Old Testament** James L. Goforth Jr, 2018-04-04 We will never grasp God without Jesus Be careful that no one takes you captive through philosophy and empty deceit based on human tradition based on the elements of the world rather than Christ For the entire fullness of God s nature dwells bodily in Christ Colossians 2 8 9 So much time is wasted people trying to explain the world without God and God without Jesus but you can t do it The same of the New Testament is true of the Old Testament If you don t study the Old Testament your understanding of the New Testament is stunted So taking it a step further if you don t look for Jesus in the Old Testament you are missing the point of the revelation found within it This study doesn t seek to be an exhaustive treatment of the subject There are certainly things I have left out types I have not examined theophanies we don t fully examine and certainly prophecies we couldn t study However this is intended to teach and inspire to deeper study Look closely in virtually every story instruction and prophesy the point is Jesus Now we COULD say that all of these similarities are incidental analogical interesting but not intentional Or we could believe that God always was telling a story HIS Story is always being told in History and so he shaped History to tell HIS Story If so then we can conclude that God intentionally told his story through types even when we did not understand them while they were happening On my first day of The History of Western Civilization in college Dr Goode our professor said This is History This means it is HIS story History is about God So

look for HIS story God in the Flesh Immanuel the Seed of the Woman The Angel of the Lord Jesus Christ Son of God

Finding Christ in the Old Testament Dorothy Russell, 2011 We can all see the point of the New Testament it tells the story of God becoming Man paying the penalty for our sins and establishing his church here on earth but the New Testament is less than half the Bible what about the Old Testament How does it relate to the arrival of Christ This study shows how the story of God's rescue plan for mankind does not start in the New Testament Christ is in the Old Testament too this study shows you where Helpful notes bring the significance of these chapters into focus and speak clearly to us today Geared for Growth study materials encourage A Daily Encounter with God Your 10-15 minutes each day will strengthen the impact of God's word on your daily living Group learning and sharing Meet weekly in a small group share your answers and be enriched as you learn from others Spiritual Growth You will be challenged to put God's Word into practice Others will feel the impact as you obey grow and mature Church Growth Introduce people to Spiritual reality Your study group could be the stepping stone for others coming to faith

The Ancient Lovesong, 1996 **Jesus of Israel** Richard Veras, 2007 Not only was Jesus a Jew his coming was foreshadowed in stories from Genesis to the prophets Father Richard Veras invites us to enter a more intimate relationship with Jesus Christ through the doors of familiar and not so familiar incidents in the Old Testament The author explores issues with one goal in mind to aid the reader to come to a deeper certainty about Jesus Christ

Seeing Christ in the Old Testament (part 1) Stephen Kaung, 2012-01-23 The word of God is living and operative Hebrews 4:12a It is living and not just letter because it gives life The Scriptures are operative because they contain not only theological ideas to be pondered but also spiritual realities to be experienced For every scripture is divinely inspired God breathed and profitable for teaching for conviction for correction for instruction in righteousness that the man of God may be complete fully fitted to every good work II Timothy 3:16-17 Ye search the scriptures said the Lord Jesus Christ for ye think that in them ye have life eternal and they it is which bear witness concerning me and ye will not come to me that ye might have life John 5:39-40 It behooves us therefore to diligently read the Bible and meditate on it To encourage God's people to study God's word brother Stephen Kaung delivered a series of messages on the sixty-six books of the Bible Commencing in 1983 each Lord's day the survey of one book was shared from the New Testament and a similar sharing from the Old Testament commenced in 1986 Each message is merely a panoramic view of each book of the Bible a tasting of the sweetness of God's word The aim is to provide the saints with some basic understanding in their search of God's word These being spoken messages no acknowledgement of the names of the many commentaries consulted is indicated This survey of the Holy Bible will be published as Volume I and Volume II under the overall title of God Has Spoken with Volume I bearing the subtitle Seeing Christ in the Old Testament and consisting of two physical volumes Part One Genesis to Song of Songs and Part Two Isaiah to Malachi and Volume II bearing the subtitle Seeing Christ in the New Testament May God use these

volumes to increase our love for His word *Finding Christ in the Old Testament* John Priddle, 2011 **Finding Christ in the Old Testament Through the Aramaic Memra, Shekinah, and Yeqara of the Targums** Adam Joseph Howell, 2015

This dissertation seeks to find Christ in the Old Testament by examining the targumic passages in which Memra Shekinah or Yeqara occur as God's agent or manifestation Chapter 1 demonstrates that scholars view the Memra Shekinah and Yeqara as agents for God or manifestations of God even though many scholars reject the notion of Christological implications found in the New Testament appropriation of these terms and concepts Chapter 2 discusses the close connection between the targumic Memra Shekinah and Yeqara and the New Testament by citing clear instances where the New Testament authors appropriated targumic terms and concepts to speak of Jesus By using targumic terms and concepts the New Testament authors provided an exegetical method for finding Christ in the Old Testament through Targum Chapter 3 examines the occurrences of Memra presenting examples of passages that certainly refer to Christ do not refer to Christ and probably refer to Christ In this chapter the Memra refers to Christ or probably refers to Christ when the Memra functions as God's agent carrying out God's work in the world Chapter 4 investigates the occurrences of Shekinah and Yeqara but under the influence of the New Testament nearly all of the occurrences of Shekinah and most occurrences of Yeqara refer to Jesus Shekinah and Yeqara are delineated into categories of occurrences that refer to God's manifestation and God's manifestation with agency Even though most occurrences of Shekinah and Yeqara refer to Christ some occurrences of Yeqara are a literal translation of the Hebrew and do not refer to Jesus Chapter 5 concludes the dissertation by tying several themes together to show the consistency and validity of finding Christ in the Old Testament through Aramaic terms and concepts This dissertation argues that when the Memra Shekinah or Yeqara appear as God's agent's or as manifestations of God one may find Christ in those Old Testament passages One may find Christ in these passages because the New Testament authors present Jesus as the premier agent and manifestation of God using targumic terms and concepts *Finding Jesus in the Old Testament* David Limbaugh, 2015-11-09 A New York Times Bestseller In *Finding Jesus in the Old Testament* David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ's arrival through all thirty nine Old Testament books The key to the secrets of the Old Testament Limbaugh argues is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus With that key and with Limbaugh as a deft guide readers of *Finding Jesus in the Old Testament* will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ's arrival Limbaugh takes readers on a revealing journey from Genesis through Malachi demonstrating that a consistent message courses through every one of the Old Testament's thirty nine books the power wonder and everlasting love of Jesus Christ Previously published under the title *The Emmaus Code* *Preaching Christ from the Old Testament* Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both

simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament Five Views of Christ in the Old Testament Zondervan, 2022-10-25 The authors of the New Testament regularly quote and allude to Old Testament passages that point to the presence person and work of Jesus Jesus himself claimed that Moses wrote about him John 5 46 And on the road to Emmaus Jesus instructed the disciples from Moses and all the prophets regarding himself Luke 24 27 Though Christians affirm that the Old Testament bears witness to Christ how the Old Testament writers did this is a matter of extensive debate Furthermore Christian biblical scholars also debate the degree to which contemporary interpreters of the Bible can follow the hermeneutics of the New Testament authors in using the Old Testament to point to the person and work of Jesus Christ Five Views on Christ in the Old Testament is the first book to bring together in conversation the major views on how the Old Testament points to Christ Contributors and views include The First Testament Priority View John Goldingay The Christotelic View Tremper Longman III The Redemptive Historical Christocentric View Jason DeRouchie The Reception Centered Intertextual View Havilah Dharamraj The Premodern View Craig Carter Each contributor presents their preferred methodology showing readers how their interpretive approach best explains the biblical data Additionally authors provide case studies of various Old Testament passages that equip readers to better compare the strengths and weaknesses of each of author s approaches This essential resource will help readers learn practical steps to help them read the Old Testament more faithfully as it testifies to Jesus the Messiah Seeing Christ in the Old Testament (part 2) Stephen Kaung, 2009-09-26 The word of God is living and operative Hebrews 4 12a It is living and not just letter because it gives life The Scriptures are operative because they contain not only theological ideas to be pondered but also spiritual realities to be experienced For every scripture is divinely inspired God breathed and profitable for teaching for conviction for correction for instruction in righteousness that the man of God may be complete fully fitted to every good work II Timothy 3 16 17 Ye search the scriptures said the Lord Jesus Christ for ye think that in them ye have life eternal and they it is which bear witness concerning me and ye will not come to me that ye might have life John 5 39 40 It behooves us therefore to diligently read the Bible and meditate on it To encourage God s people to study God s word brother Stephen Kaung delivered a series of messages on the sixty six books of the Bible Commencing in 1983 each Lord s day the survey of one book was shared from the New Testament and a similar sharing from the Old Testament commenced in 1986 Each message is merely a panoramic view of each book of the Bible a tasting of the sweetness of God s word The aim is to provide the saints with some basic understanding in their search of God s word These being spoken messages no acknowledgement of the names of the many commentaries consulted is indicated This survey of the Holy Bible will be published as Volume I and Volume II under the overall title of God Has Spoken with Volume I bearing the subtitle Seeing Christ in the Old Testament
