Finding Entering And Succeeding In A Foreign Market:

Finding, Entering, and Succeeding in a Foreign Market Seamus G. Connolly, 1987 **Cultural Barriers to the Success of Foreign Media Content** Ulrike Rohn, 2009 What media content attracts audiences across cultures and what does not What does the cross cultural audience demand depend on The author takes a new approach to understanding cultural barriers to the success of foreign media content by analyzing the entry strategies of Time Warner Disney Viacom News Corporation and Bertelsmann with regard to China India and Japan in terms of their respective localization efforts In depth interviews with companies representatives give an insight into how they view the need for locally produced media in these countries The author develops and employs the Lacuna and Universal Model that provides a new theoretical classification of reasons for the cross cultural success and failure of media content as well as the Vertical Barrier Chain that locates cultural barriers in the wider context of legal political and economic barriers to successful entry into foreign media markets
