Johnson,2024-11-18 The two main themes throughout the Bible are restoration and redemption Both are seen throughout the  
book of Ruth powerfully The relationship between Naomi and Ruth has been called one of the greatest love stories in the  
Bible and another great love story is between Boaz and Ruth Naomi and Ruth are left widows in the land of Moab they travel  
together back to Naomi s home town of Bethlehem Once there Ruth meets Boaz her kinsman redeemer that is he is a relative  
of her deceased husband Naomi plays the matchmaker she wanted to find a rest and security that would last a lifetime for  
Ruth Boaz redeems Ruth and marries her They have a son named Obed who becomes the grandfather of King David This  
Bible Study discusses several themes from the Book of Ruth including God s sovereignty and control over our lives even when  
we make bad decisions The importance of faith and following God The concept of redemption through Jesus Christ The  
importance of finding our identity in Christ The concept of restoration Harold and Penny Have been married for 35 years and  
in ministry for about 30 years They have four children together and homeschooled for most of their schooling They enjoy  
ministering together Harold is an anointed minister of worship with a heart like King David he carries the Breaker anointing

He longs to obey Holy Spirit and flows with the Spirit while ushering in the Glory of God In 2017 after the kids were mostly grown the Lord called Penny from the background of the life of ministry where she helped and supported her husband into a deeper ministry of studying and teaching the Word of God This call led her to get her BA in Bible and Theology and is a fully ordained licensed minister Penny has become a passionately expressive fluid anointed minister of the Word of God and now mentors and teaches other women God s Word flows in and through her to transform lives so others can live and love God to their fullest potential She has not stopped learning or studying she has a deep desire to learn more and grow deeper in her relationship with Jesus Christ In a season of much prayer and fasting this study was conceived grown labored and birthed by the Lord through her She gives the Lord full credit and hopes it blesses you as much as it did her to write it for the Lord
