Reiki In this way Eileen's Advanced and Master Level Training Manual becomes a living testimony as she thoroughly covers all the information required to be a successful and competent Reiki practitioner and teacher. Written with inspiration and clarity, Eileen takes the reader on an amazing journey into the dynamic world of the inner self. Like a fresh current of air, she presents her material in an appealing and easily digestible manner. The uniqueness of Eileen's Reiki training manual lies in her ability to weave the Christ-conscious healing dimension into it just as an alchemist would when producing gold. In this way, Eileen shows how the revered eastern practice of Reiki, discovered by Dr. Mikao Usui, a Japanese Buddhist, in the early 20th century, can blend perfectly with a Christian heritage of healing where the one enhances the other. At the same time, she shows how this simple, profound method of hands-on healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone. Often, people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully. Others go away from the treatment or training feeling restored, refreshed, and renewed. Reiki, the universal Life Force Energy of God, is not a new invention or modern-day fad. Its roots are planted deep in ancient history. In the Old Testament, Life Force Energy was spoken about eloquently and has been pulsating through the whole of creation from the beginning of time. Even science and the world of medicine are looking at this complementary form of healing called Reiki with fresh new eyes. Its worldwide impact can no longer go unnoticed.

About the Author: Eileen Curteis, a Sister of Saint Ann, is a Reiki Master teacher and practitioner who has taught and treated thousands of people over the last eighteen years at Queenswood, a former retreat and spirituality centre in Victoria, BC. Preceding this, Eileen was a teacher, principal, and educator for twenty-seven years. Her greatest passion lies in her healing ministry and in the literary arts. She has authored eleven books to date and, through the years, has become an accomplished poet, artist, writer, as well as being a producer of six CDs and three films.

Finding Peace Here and Now Eric A. Clayton, 2025-05-06 These days everyone is looking for peace. But too often we look in all the wrong places. In *Finding Peace Here and Now*, award-winning Catholic author Eric A. Clayton shows readers that we should be looking inside ourselves. He reveals that peace starts within by discovering and embracing who we are meant to be in God. Using Saint Ignatius of Loyola as a guide, Clayton offers stories, meditations, spiritual reflections, and practical tools to lead us along a path of inner peace that we can then trace outward so we can bring peace to other people and challenging situations. This book will resonate with readers who are familiar with the Ignatian Spiritual Exercises as well as those learning about them for the first time. In the end, readers will not only navigate their own personal journey to inner peace and a love of self but also discover how those journeys are tied to better loving and serving neighbors and working for global justice, all for the greater glory of God.
