**Finding the Church** Daniel W. Hardy, 2001 Amongst the churches Anglicanism is distinctive by virtue of its attempt to participate in the life and purposes of God The essays in this book begin from the struggles which have emerged among the Anglican community in recent years and show the deeper issues at stake *The Church in a World of Religions* Tom Greggs, 2021-12-16 In this collection of essays Tom Greggs explores the nature of the church in a world of many religions Greggs writings on the Church and on other religions emphasize the importance of attentiveness to Christ and the Holy Spirit and both are simultaneously generous and particularist The first part of the book addresses the Church as it is brought into being by the Spirit in glorifying God celebrates the sacraments respects the authority of the creeds is generously Catholic and critiques its own religion The second part looks at the church in a pluralist context as it engages in inter faith dialogue expresses both particularism and universalism speaks of Christ with many names and reads scripture and understands the many covenants found there Greggs offers a programmatic conclusion setting an agenda for theologies of the church and of other religions and their simultaneous relationality **The Development of Anglican Moral Theology, 1680-1950** Peter H. Sedgwick, 2024-01-15 The Development of Anglican Moral Theology is the successor volume to The Origins of Anglican Moral Theology It describes how Anglican theologians interacted closely with the moral philosophers of their day while providing a pastoral resource in the fast changing period between 1680 1950 The book shows how vibrant and intellectually rigorous the tradition was and includes detailed studies of the sermons of Butler Wesley and Newman the writings of William Law and Coleridge and the later work of Maurice Gore Scott Holland Moberly William Temple and Kirk This is the first account of this lively tradition of moral theology *Anglicanism* Duncan Dormor, Jack McDonald, Jeremy Caddick, 2006-09-01 A group of the brightest young Anglican theologians in Cambridge propose a coherent future for Anglicanism in the modern world at the start of a new incumbency at Lambeth [The Oxford History of Anglicanism](#) Anthony Milton, Jeremy Gregory, Rowan Strong, Jeremy Morris, William L. Thinking About God's Love Lorraine Cavanagh, 2015-12-01 There are many people who are put off Christianity by the way the doctrines of atonement and redemption are communicated People find it hard to believe in a loving God who appears at the same time to be so angry and vindictive Many also feel that Christian teachings publicly or privately do not connect with them in any meaningful way This is either because they are put off by the narrow theological framework in which Christianity is presented or because what is said about atonement and redemption seems theoretical and remote from their experience of life This book seeks to address some of the difficult questions that these people are asking It is written for those who may be wanting to return to their faith who would like to explore it in greater depth or in a more open theological landscape The intention is that readers will find in this book a new understanding of what it really means to live as people who have been forgiven and brought home into a more honest and deeper relationship with God through the atoning and redemptive work of Jesus Christ
