**A Distant Land, A Distant Time** Pasquale De Marco, 2025-08-10

It is a collection of insights, reflections, and exercises that will help you to explore your inner world, identify your strengths and weaknesses, and create a life that is aligned with your values and purpose. The journey of self discovery is not always easy. It can be challenging to face our fears, our doubts, and our limitations. But it is also an incredibly rewarding journey, one that can lead us to a deeper understanding of ourselves and the world around us. This book is designed to be a companion on your journey. It is a resource that you can turn to for guidance, support, and inspiration. It is not a magic bullet, and it will not solve all of your problems. But it can help you to take the first steps on your journey, and it can help you to stay on track when the going gets tough. The book is divided into ten chapters, each of which focuses on a different aspect of the journey of self discovery. In the first chapter, we will explore the origins of our journey and the reasons why we embark on it. In the second chapter, we will discuss the crossroads of destiny and the choices that we make along the way. In the third chapter, we will explore the path of enlightenment and the ways in which we can find wisdom and meaning in our lives. In the fourth chapter, we will discuss the power of relationships and the importance of building strong and meaningful connections with others. In the fifth chapter, we will explore the pursuit of success and the ways in which we can achieve our goals and dreams. In the sixth chapter, we will discuss the journey of healing and the ways in which we can overcome trauma and loss. In the seventh chapter, we will explore the search for meaning and the ways in which we can find purpose and fulfillment in our lives. In the eighth chapter, we will discuss the power of the mind and the ways in which we can develop mental strength and resilience. In the ninth

chapter we will explore the journey of transformation and the ways in which we can change and grow as individuals In the tenth and final chapter we will discuss the promise of the future and the ways in which we can create a brighter tomorrow for ourselves and for the world I hope that this book will be a valuable resource on your journey of self discovery I hope that it will help you to explore your inner world identify your strengths and weaknesses and create a life that is aligned with your values and purpose If you like this book write a review

A Search for God Carmine G. Barba, 2004 Should the act of creation by God be taken i e can it be considered in a light other than that of religion Indeed is it even possible to view it in terms of facts and knowledge rather than one of faith Virtually all organized religions assume the existence of God as the creator of the universe and all things in it This belief has always taken the form of faith and reason i e it is an act of faith and not necessarily one of knowledge which is in effect an assumption of belief rather than one based on scientific fact and unless this belief is brought into the realm of science we can never be certain beyond any doubt that God does indeed exist This author explains how scientific principles can enter into the explanation of God s existence and how the Act of Creation itself comes out of the hiddenness of God s root source of energy and into the open realm of 3 dimensionality
