 The seventh edition lives up to its reputation as a clearly written comprehensive finite mathematics and calculus text. Students will find a greater emphasis on real world applications from the fields of business and social sciences making the material relevant to their studies. From the increased use of boxed formulas to informative explanations of examples Mizrahi and Sullivan make this edition even more accessible to students.
Hallmark Features
 The comprehensive and readable coverage has received praise through six editions. The text is flexibly organized. A flowchart in the preface shows instructors how to sequence chapters to meet specific needs. Well graded exercise sets at the end of each section help students gain a better understanding of the material. End of chapter study questions for review include true false and fill in the blank questions with answers. An abundance of realistic examples are provided that gradually increase in difficulty to develop conceptual understanding. Mathematical questions from CPA CMA and actuary exams show students the relevance of the material. Also available by Mizrahi and Sullivan *Finite Mathematics An Applied Approach* 8 E 0 471 32202 4
