most elaborate work ever produced on the Apocalypse Editors Note 2018 Quin Ed E B Elliot finished his great work about the year 1860 The nature of the Historicist method of interpretation is such that the line of fulfilled prophecy is continually moving with the passage of time The interpretation of which necessarily requires a certain amount of speculation which must be verified before accepted as true As well intentioned as many are the passage of time will overthrow the best of expositors on some points of which time would reveal to be mere speculation Though the bulk of Mr Elliot s work still stands the test of time time has unveiled a more likely or true interpretation on some points The editors herein have made some updates commensurate

A Walk Through Bible Prophecy John S. Darden,2010-02-11 A Walk Through Bible Prophecy is a detailed look at the End Times You will learn what the Bible says about The Antichrist the world governments and how they apply to the end of history *Fire of Mercy, Heart of the Word* Erasmo Leiva-Merikakis,2011-11-04 To the unstudied eye Matthew s gospel can seem a terse narrative almost a historical document and not the tremendously spiritual and doctrinal storehouse that it is Erasmo Leiva here acts as our guide showing Matthew s prose to be not terse so much as economical astoundingly so given its depth The lay reader can derive great profit from reading this Each short meditation comments on a verse or two pointing to some facet of the text not immediately apparent Leiva s work is scholarly but eminently approachable by the non technical reader The tone is very much gustate et videte quoniam suavis est Dominus taste and see how good the Lord is as it is friend come up higher The goal of the book is to help the reader experience the heat of the divine heart the light of the divine Word Leiva points to Matthew s gospel as being deeply ecclesial because it is first Christological He comments on the Greek text demonstrating to the reader nuances in the text that defy translation into English without serious revision of the text Leiva uses linguistic analysis to aid the non Greek reader with the literal meaning of the text numerous quotes from the Fathers and the liturgy of the church demonstrate the way the Tradition has lived and read the Word of God His theological reflection vivifies doctrine by seeking its roots in the words and actions of Jesus
