Seock-Tae Sohn,2018-11-19 At Pentecost there was no fire The divided tongues like fire came down to each one of the disciples and they spoke different languages so that all the people there could understand what they said without translators In the OT times God appointed his prophets by touching their mouths and putting his word into their mouths so that they might declare it to his people Therefore a prophet was the spokesman of God and is usually called the mouth of the Lord Jesus called the Word as well as God came into this world as the great prophet for the ministry of the word He taught the kingdom of God to his people and trained his disciples to be prophets after his departure The risen Christ appointed his disciples to be prophets giving them the ministerial task of the word and asking the Father to seal them as his prophets Thus the baptism of the Holy Spirit was the installation ceremony for the disciples to be the new covenant prophets as it was for the prophets of OT times The disciples were to go out to the ends of the earth to proclaim his word Those baptized by water are simultaneously baptized by the Holy Spirit and are given the office of the new covenant prophet **Possessing the**

**Tongues on Fire** Pastor Leslie Robert Barnett,2018-12-19 Tongues on Fire are a must read for those who want to experience the baptism of the Holy Spirit with the gift of speaking in tongues Authored by Pastor Leslie Barnett who writes

from experience having been involved in the 1970s New Prophecy Movement Pastor Barnett's story begins with 18th century evangelist John Wesley who paid heed to visions and supernatural encounters that occurred in the lives of Methodists of his day Throughout his life he gathered stories of how God was revealing Himself in the lives of His people and gave much thought to their meaning The author explains that when the Holy Spirit was being poured out with the speaking of tongues families were reunited long severed friendships reconciled and hearts flowed together in true fellowship in the Lord And even more than that along with the spirit of unity and love came the spirit of sacrifice and the wondrous spirit of liberty But in today's modern church tongues is considered unnecessary leaving many to question whether or not Mark 16:17 the hallmarks to Pentecostalism should be deemed spurious in many modern Bibles This has led to a noticeable decline in spiritual gifts among Pentecostal and charismatic worship services says Pastor Barnett Leslie explains how the New Apostolic Reform movement is causing a schism within the Assemblies of God churches prompting concern that this may emulate the second century Montanist movement when prophecy became presumptuous by self appointed apostles prophets and prophetesses Pastor Barnett exposes many who claim to be God's anointed and dismisses the notion that a third wave outpouring of the Holy Spirit is very much alive due to the many ethical problems facing the Pentecostal church in our day To sum up the problem Leslie had this to say The very soul of Christ's church embodied in prophetic utterances discernment worship healing deliverance and hospitality has slowly diminished leaving a lifeless Institutionalised religion with highly paid works of men 2 Timothy 3:1-3 Of special interest is chapter seventeen where Pastor Barnett provides a spiritual explanation as to why Brett Peter Cowen was involved in one of Australia's most horrendous crimes against Daniel Morcombe and how it may have been avoided And in chapter twenty five how a couple survived 9/11 by obeying God rather than man Last but not least is chapter thirty three which is dedicated to the Mysterious Messengers the angels of God who have played a vital role in producing this work
