## **Fireflies In The Delta:**

**Fireflies in the Delta** Dan Dane, 2000-02-20 Fireflies in the Delta is an examination of why innocent inmates in jail confess to crimes they did not commit A deputy sheriff motivated by an illicit love affair and hunger for power gets an illiterate vagrant to confess to a murder committed by his lover's brothers A newly elected idealistic District Attorney refuses to use the false confession as the resolution of the case This unwittingly draws him into a power struggle with the diabolical deputy and those in the criminal justice system aligned with him The resolution of this struggle may be too true to life for many readers Conduct to the Prejudice of Good Order Dan Dane, 2002 Conduct to the Prejudice of Good Order offers a glimpse of conditions around Bien Hoa during the last years of the war Bill Blake encounters fragging racism and heroin addiction while defending soldiers in court martial trials as a young Army lawyer Much like the soldiers he defends Blake finds himself in conflict with his superior officers The story of a drafted civilian attorney serving as an Army lawyer in Vietnam gives this book a unique perspective Captain Blake's experiences accentuate many of the troublesome aspects of the war including the draft authority of Commanding Generals domestic demand for troop withdrawal and in the end the delivery of heroin to the American troops The historical fiction genre allows vets to recognize historically correct settings in Vietnam during 1971 1972 in this book The fictitious characters and circumstances provide an entertaining read for those who lived through the era as well as those for whom Vietnam is only a curiosity out of the distant past Other books by Dan Dane include Fireflies in the Delta and Bloodlines of Tyranny **The Alpha Xi Delta** ,1924 **The Trident of Delta Delta Delta** ,1919
