

The background of the entire image is a painting. It depicts a long, straight dirt road that stretches from the bottom center towards the horizon. On the right side of the road, in the distance, stands a lighthouse with a white body and a dark top. The sky is filled with large, billowing clouds in shades of orange, pink, and red, suggesting a sunset or sunrise. The overall mood is serene and nostalgic.

Fishbait and Applesauce Micah Ingram, 2023-05-30 *Fishbait and Applesauce* are two very close

brothers who are always playing around and love being adventurous In this story they are taken to the park by their inspirational grandmother only to end up competing with each other to see who can catch the most fish Fishbait nicknamed for his fishing prowess and love for the outdoors is the better one when it comes to fishing and wins easily making Applesauce jealous Applesauce then with the help of their grandma competes once more against Fishbait with a magic fishing rod that she had given him in a battle for the ages learning a lesson along the way In a battle between who wins or loses this story teaches young kids that it s okay to lose that failure is okay The story inspires the next generation by teaching them that failure is not the end as there is always something one can take away from failure This is an important lesson as failure is an important step to success The story also teaches perseverance and not giving up and it also shows love for family and family values as you see the two brothers relationship and how they come together Old Silent One and Fresh Water Fishing Barbara J.
