Brooks, 2021-01-21 This is a story about a father son relationship It is a bed time story with a fun play section at the end of the story Adam is an energetic full of life toddler He loves being outdoors with his dad It has a surprise in the story about the turtle Children love to pick up rocks and stuff them in their pockets This is about a fishing trip the delight of an adventure for Adam The readers become a part of the story My books are written at a level of a child's understanding They are educational and a teaching tool for learning *Fishing by Mail* Vance Nye Bourjaily, Philip Bourjaily, 1993 A love of the outdoor life shared through letters renews the bond between a father and son Infused with humor and candor this book is an entertaining universally appealing work that will be enjoyed by any father and son who have ever shared the beauty of the outdoors Excerpted in Field Stream

Wishing My Father Well William Plummer, 2000 In a heartfelt memoir the associate editor at People shows how his love of fly fishing has connected three generations of fathers and sons in his family and fortified him in face of a failed marriage the death of his father and a faltering career *Fishing with Dad* Bobbicat, 2018-01-09 Fishing with Dad by BobbiCat is the story of a boy who went fishing with his father and the fun day they had The best memories are created with our loved ones Vibrant color illustrations will captivate your young child Rhyming lines help engage your child and sustain interest Your child will love to read this story over and over with you Your younger children will enjoy the illustrations and sing song tone of the story while your older children will particularly like the poignant rhymes This story will be enjoyed by children of all ages **Bob, My Dad the Fisherman** Raymond Greenlaw, 2017-11-22 IF YOU MISS YOUR DAD READ THIS BOOK A great read from an extremely versatile author He brings his father back to life through his heartfelt stories This book is about my father his love of fishing our relationship and my memories about him My Dad was born during the Great Depression That event shaped his life and his thinking It placed limits on him that he wasn't able to overcome He wasn't perfect and he knew it My Dad was a smart man and raised me the best that he could He provided me with as much love as he could His love came in the form of companionship Men who were raised during the Great Depression needed to be tough for they'd endured tough times Such men went through several wars They weren't huggers they felt that they needed to display great strength I accepted my Dad for who he was He was a sensitive man who when confronted with his shortcomings admitted them and tried to improve himself Throughout his years he grew and became a better person I am extremely lucky that my father spent so much time with me Although my father was an extremely busy man he always gave freely of his time for me I'm exceptionally grateful for what we were able to share Fishing was perhaps my father's greatest love after my mother Roxy My father was not among the best fishermen I ever met he is the best fisherman I ever met As you read this book you can see the types of relationships that fathers and sons used to have Relationships where they shared vast amounts of time together

where they made time for each other where they challenged each other to become better people and where they strengthened their relationship through mutual respect acceptance and understanding I won't ever get to see my father again and that hurts but at least I can share our relationship with you dear reader And when I miss my Dad I can turn to these pages Here I can hear his voice see him smile and talk to him He becomes alive again and I can feel his passion You'll share this experience with me while reading this book **Today Im Going Fishing with My Dad** Nancy L.
