Conscience of Evangelicalism J. Daryl Charles, 2002-01-01 J Daryl Charles urges the evangelical church to better equip in character and moral vision its pastors leaders and members to constructively and effectively engage the ethical debates of the twenty first century *The Outrageous Idea of the Missional Professor, International Edition* Paul M. Gould, 2019-06-05 The outrageous idea of this book is that God wants to use professors as professors to reach others transform the academy and meet the needs of the world God is on a mission to redeem and restore this fallen world and as members of one of the most influential institutions in society Christian professors in the university play an important role in that mission Becoming a missional professor will require a clear vision of God's heart for the lost as well as humankind's purpose and calling under the banner of Christ an understanding of the significance of the university as a cultural shaping institution and mission field and a desire for Christian wholeness in a fragmented world This idea is outrageous because many Christian professors struggle to live missionally and need a clear vision of such a life as well as role models to lead the way Many professors already living missional lives need encouragement to excel still more 1 Thess 4:10 We all need God's grace and mercy as we try to faithfully follow Christ within the university Paul M Gould PhD Purdue University teaches philosophy and apologetics at Oklahoma Baptist University and is the founder and president of the Two Tasks Institute D Keith Campbell PhD Southeastern Baptist Theological Seminary is Global Partnerships Vice President at Global Scholars Li Ma PhD Cornell University is Senior Research Fellow at the Henry Institute for the Study of Christianity and Politics at Calvin College Omar Montero PhD Candidate University of Buenos Aires is Associate Professor and Researcher for Undergraduates and Postgraduates in the Architectural and Design Department at the University of Buenos Aires Granville W Pillar PhD University of Newcastle is Associate Professor of Philology at Ferenc R k czi II Transcarpathian Hungarian Institute Ukraine Osam Edim Temple PhD University of Ibadan is former Professor of Philosophy at the American University of Nigeria and Special Advisor to the Honourable Minister of Niger Delta Affairs Bee Lan C Wang PhD University of Chicago taught at the Science University of Malaysia Northern Illinois University and Wheaton College Illinois Recovering Classic Evangelicalism Gregory Alan Thornbury, 2013-03-31 Once upon a time evangelicalism was a countercultural upstart movement Positioned in between mainline denominational liberalism and reactionary fundamentalism evangelicals saw themselves as evangelists to all of

culture Billy Graham was reaching the masses with his Crusades Francis Schaeffer was reaching artists and university students at L Abri Larry Norman was recording Jesus music on secular record labels and touring with Janis Joplin and the Doors and Carl F H Henry was reaching the intellectuals through Christianity Today It was the dawn of classic evangelicalism Surveying the current evangelical landscape however one gets the feeling that we re backpedaling quickly We are more theologically diffuse culturally gun shy and fragmented than ever before What has happened And how do we find our way back Using the life and work of Carl F H Henry as a key to evangelicalism s past and a cipher for its future this book provides crucial insights for a renewed vision of the church s place in modern society and charts a refreshing course toward unity under the banner of classic evangelicalism

Surviving Technopolis Arthur W. Hunt III,2013-09-24 Technopolis has no end in view other than bigger faster newer and more While giving us many material benefits at least in the short run in its wake are spiritual loss alienation and devastation These essays not only evaluate Technopolis but also seek wisdom to cope with our new human made environments Positively stated they offer suggestions on how to bring us back into balance Some of our best wisdom in analyzing Technopolis can be found in the voices of the Christian humanists Unlike Enlightenment humanism which tends to be human centered Christian humanism is concerned with the role of humankind within God s created order G K Chesterton T S Eliot J R R Tolkien and C S Lewis represent this tradition They and others like them understood that technological progress with no clear telos obscures what Eliot called the permanent things Surviving Technopolis means restoring the things closest to us those old identity forming institutions of home church and community

Dwelling on Delphi Robert M. Woods Ph.D.,2016-07-22 Why the liberal arts are in decline and why you should care What are the intellectual and spiritual roots of liberal arts learning in the West Why a liberal arts education rooted in the Great Books is the best education and where you can find it today Where despite the truth that we are on the edge of the abyss

Philosophy, Who Needs It? Jason D. Crowder,2016-03-02 Too often skeptics charge Christians with having a blind faith Unfortunately believers have added fuel to the charges of skeptics by speaking of their faith illogically But the Christian faith is not a blind faith In fact biblical faith is never a blind irrational faith Christianity rests firmly on the stone that was rejected by the builders which has become the cornerstone Jesus Christ

Acts 4 11 Living biblically requires thinking biblically just as to think biblically entails to live biblically as Winfried Corduan notes in the Foreword As followers of Christ believers cannot separate biblical thinking and biblical living These two behaviors are eternally connected not only in the person of Jesus Christ but they stem from the eternal being of God the Father and his eternal truth Christ mandates that his followers love God with their entire being heart soul mind and strength Mark 12 30 How are believers to go about living out this biblical mandate Christian faith is a warranted belief This is why it is so essential that Christians recognize the value and importance of philosophy and its proper place in Christendom and in the Christian s walk

The 'Spiritual Death' of Jesus William Atkinson, 2009-02-15 Winner of the Award of Excellence of the Foundation for Pentecostal Scholarship 2010 The teaching of Kenyon Hagin and Copeland that Jesus died spiritually JDS is important because of the influence of these men not least on Pentecostalism JDS originated with Kenyon and has been taught in the Word faith movement by Hagin and Copeland despite much criticism It incorporates three elements in this death Jesus was separated from God partook of a satanic nature and was Satan s prey This theological appraisal takes research far further than previous works both in method and in scope It concludes that adoption of JDS by Pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional Christianity Pentecostals and others are advised to reject the bulk of this teaching

Humble Apologetics John G. Stackhouse Jr., 2002-11-14 Is it still possible in an age of religious and cultural pluralism to engage in Christian apologetics How can one urge one s faith on others when such a gesture is typically regarded with suspicion if not outright resentment In Humble Apologetics John G Stackhouse brings his wide experience as a historian philosopher journalist and theologian to these important questions and offers surprising and reassuring answers Stackhouse begins by acknowledging the real impediments to Christian testimony in North America today and to other faiths in modern societies around the world He shows how pluralism postmodernism skepticism and a host of other factors create a cultural milieu resistant to the Christian message And he shows how the arrogance or dogmatism of apologists themselves can alienate rather than attract potential converts Indeed Stackhouse argues that the crucial experience of conversion cannot be compelled all the apologist can do is lead another to the point where an actual encounter with Jesus can take place Finally he shows how displaying an attitude of humility instead of merely trying to win religious arguments will help believers offer their neighbors the gift of Christ s love Drawing on the author s personal experience and written with an engaging directness and an unassuming nature Humble Apologetics provides sound guidance on how to share Christian faith in a postmodern world

The Theology of Dallas Willard Gary Black Jr.,2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard s unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith

Pentecostal and Postmodern Hermeneutics Bradley Truman Noel,2010-01-29 Pentecostal and Postmodern Hermeneutics seeks to explore the relationship between Pentecostal hermeneutics and Pentecostalism s ability to connect with and evangelize North American youth As a Postmodern ethos makes its presence increasingly felt in the Western world no Christian movement should be better positioned to bring the message of Christ to youth and young adults eager to experience the God of miracles and wonders Recent trends in Pentecostal hermeneutics however may actually make the task more difficult No historical movement has thrived in the long term that has not carefully considered the place of youth and young adults in the vision for the future While Pentecostalism has been at the forefront of youth ministry in the last several decades we must also connect Pentecostal academia with evangelism efforts among youth and young adults This work calls Pentecostal scholars to thoughtfully consider the implications of their work for future generations

Conversational Evangelism Norman L. Geisler,David Geisler,2009 Witnessing used to involve laying out the truth and guiding a person to understand and accept it But the awareness of basic Christian principles has changed and so have the needs of pre believers With a passion for people authors David and Norman Geisler share an engaging conversational approach to evangelism as they address What makes old models of witnessing ineffective in today s culture Why evangelism must start with relational pre evangelism How to ask questions listen attentively and understand what someone believes Ways to identify the real barriers to belief in order to build a bridge to truth How to keep dialogue going with different personality types This refreshing practical resource is ideal for churches and individuals Readers will discover how God uses their everyday encounters for great things when they switch from trying to witness effectively to effectively being a witness through communication and compassion
