Sabbath School Board,1919 **Who's who of Australian Writers** ,1995 Hearers and Doers Kevin J. Vanhoozer,2019-05-15 The foundation of discipleship is sound scriptural doctrine The value of sound doctrine is often misunderstood by the modern church While it can be dry and dull when it flows from the story of Scripture it can be full of life and love This kind of doctrine steeped in Scripture is critical for disciple making And it s often overlooked by modern pastors In Hearers and Doers Kevin Vanhoozer makes the case that pastors as pastor theologians ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples scriptural doctrine is vital to the life of the church and local pastor theologians should be the ones delivering it to their communities With arresting prose and striking metaphors Vanhoozer addresses the most pressing problems in the modern church with one answer teach sound scriptural doctrine to make disciples *The Busy Woman's Guide to Total Fitness* Laurette Willis,2007-12-01 Laurette Willis creator of the PraiseMoves™ DVD offers a plan that will help women incorporate Total Fitness into their busy schedules by blending the spiritual and physical areas of their lives When asked what three of the most important things in life are many Christian women say God family and health Unfortunately most women don t think of their health until there is a problem And they also may go for weeks without investing quality time in their relationship with the Lord until faced with a challenge or the realization that they feel empty inside In *The Busy Woman s Guide to Total Fitness* readers will learn how to strengthen their bodies and spirits in 20 minutes a day with quick and easy nutrition tips energizing 20 minute workouts prayer meditation and journaling suggestions fitness for the spirit soul and body a 21 Days to Total Fitness program Soul Workout Janice Speddings,2013 Using the words soul and workout in the same sentence may seem implausible and stretching artistic licence too far but in the *Soul Workout* book the improbable becomes believable and the only stretching to be done is metaphorical An imaginary visit to the gym for a workout becomes a metaphor for the spiritual disciplines of Bible reading prayer and contemplative reflection Going to the gym may not be everybody s cup of tea but when the idea is transposed into the metaphor everyone can breathe a sigh of relief lycra and dumbbells will not be required What is needed is a willingness to be open to prayer spiritual reflection and a desire to look for creative ways to deepen your faith journey this is what *Soul Workout* offers By methodically guiding you through the metaphor Janice

Speddings shows how different aspects of the gym have their spiritual counterpart so cardiovascular exercise is likened to time spent building a deeper relationship with God the heart and life blood of the Christian faith while spiritual weight resistance exercise is seen as a way of learning to carry life's burdens with added strength and resilience You need no previous experience of contemplative prayer as all the exercises are fully explained and offered at basic or advanced levels Part 1 includes a helpful chapter for those with little or no experience of planning and running a group event while part 2 works through the metaphor step by step including spiritual reflections as exercises extra tips are offered for group leaders Part 3 deals with hanging on to the feel good factor after the workout is finished As a tried and tested metaphor this inspirational book provides a down to earth easy to read resource for groups and individuals alike an essential companion for your spiritual journey International Books in Print ,1987

Clean Living Movements Ruth Clifford Engs,2001-08-30 Over the past 200 years a health reform movement has emerged about every 80 years These clean living cycles surged with or were tangential to a religious awakening Simultaneously with these awakenings out groups such as immigrants and or youth were seen to exhibit behaviors that undermined society Middle class fear of these dangerous classes and a desire to eliminate disease crime and other perceived health or social problems led to crusades in each of the three reform eras against alcohol tobacco drugs certain foods and sexual behaviors A backlash began to emerge from some segments of the population against reform efforts After the dissipation of the activism phase laws made during the reform era often became ignored or repealed With a few exceptions during the 30 to 40 year ebb of the cycle the memory of the movement disappeared from public awareness The desire for improved health and social conditions also led to campaigns in favor of exercise semi vegetarian diets women's rights chastity and eugenics Engs describes the interweaving of temperance women's rights or religion with most health issues Factions of established faiths emerged to fight perceived immorality while alternative religions formed and adopted health reform as dogma In the reform phase of each cycle a new infectious disease threatened the population Some alternative medical practices became popular that later were incorporated into orthodox medicine and public health Ironically over each succeeding movement reformers became more likely to represent grass roots beliefs or even to be state or federal officials rather than independent activists
