Five Folk Ballads

Jessica J Manson

Five Folk Ballads:

Cinci Balade Populare ,1999 **The Traditional Tunes of the Child Ballads, Volume 1** Bertrand Harris

Bronson,2015-12-08 This is the musical counterpart to the famous Francis James Child collection of English and Scottish ballads from the 13th to the 19th centuries Professor Child s canon established the texts Professor Bronson s work provides both tunes and texts Originally published in 1959 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Singing Tradition of**

Child's Popular Ballads. (Abridgement) Bertrand Harris Bronson,2015-03-08 Francis James Child s English and Scottish Popular Ballads published in ten parts from 1882 to 1898 contained the texts and variants of 305 extant themes written down between the thirteenth and nineteenth centuries Unsurpassed in its presentation of texts this exhaustive collection devoted little attention to the ballad music a want that was filled by Bertrand Harris Bronson in his four volume Traditional Tunes of the Child Ballads The present book is an abridged one volume edition of that work setting forth music and text for proven examples of oral tradition with a new comprehensive introduction Its convenient format makes readily available to students and scholars the materials for a study of the Child ballads as they have been preserved in the British American singing tradition Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Five Little Japanese Songs* Amy

Woodforde-Finden,1906 *The Ballad Collectors of North America* Scott B. Spencer,2012 Much has been written about the songs gathered in North America in the first half of the 20th century However there is scant information on those individuals responsible for gathering these songs The Ballad Collectors of North America How Gathering Folksongs Transformed Academic Thought and American Identity fills this gap documenting the efforts of those who transcribed and recorded North American folk songs Both biographical and topical this book chronicles not only the most influential of these song catchers but also examines the main schools of thought on the collection process the leading proponents of those schools and the projects that they shaped Contributors also consider the role of technology especially the phonograph in the collection efforts Chapters organized by region cover such areas as Appalachia the West and Canada while others devoted to specialized topics from the cowboy tune and occupational song to the commercialization of folk music through song collections and anthologies

Ballad Collectors investigates the larger role of the ballad in the development of American identity from the national appreciation of cowboy songs in popular culture to the use of Appalachian song forms in radio broadcasts to the role of dustbowl ballads in the urban folk revival of the 1950s and 1960s Finally this collection assesses the changing role of songs and song texts in the academic fields of folklore anthropology musicology and ethnomusicology Scholars and students of American cultural and social history as well as fans of North American folk and popular music will find The Ballad Collectors of North America a fascinating story of how the American folk tradition gained greater visibility fueling the revolutions that would follow in the writing and performance of American music

American Music and Musicians Waldo Selden Pratt,1920 *Grove's Dictionary of Music and Musicians* George Grove,1920 **The International Cyclopedia of Music and Musicians** Oscar Thompson,1975 *Country Music Goes to War* Charles K. Wolfe,James E. Akenson,2021-11-21

Listening to the Beat of the Bomb UPK author Charles Wolfe discusses his work and his new book Country Music Goes to War in the NEW YORK TIMES While Toby Keith suggests that Americans should unite in support of the president the Dixie Chicks assert their right to criticize the current administration and its military pursuits Country songs about war are nearly as old as the genre itself and the first gold record in country music went to the 1942 war song There s a Star Spangled Banner Waving Somewhere by Elton Britt The essays in Country Music Goes to War demonstrate that country musicians engagement with significant political and military issues is not strictly a twenty first century phenomenon The contributors examine the output of country musicians responding to America s large scale confrontation in recent history World War II the Korean War Vietnam the cold war September 11 and both conflicts in the Persian Gulf They address the ways in which country songs and artists have energized public discourse captured hearts and inspired millions of minds Charles K Wolfe professor of English and folklore at Middle Tennessee State University is the author of numerous books and articles on music James E Akenson professor of curriculum and instruction at Tennessee Technological University is the founder of the International Country Music Conference Together they have edited the collections The Women of Country Music Country Music Annual 2000 Country Music Annual 2001 and Country Music Annual 2002 [A History of Twentieth-Century Music in a Theoretic-Analytical Context](#) Elliott Antokoletz,2014-03-14 A History of Twentieth Century Music in a Theoretic Analytical Context is an integrated account of the genres and concepts of twentieth century art music organized topically according to aesthetic stylistic technical and geographic categories and set within the larger political social economic and cultural framework While the organization is topical it is historical within that framework Musical issues interwoven with political cultural and social conditions have had a significant impact on the course of twentieth century musical tendencies and styles The goal of this book is to provide a theoretic analytical basis that will appeal to those instructors who want to incorporate into student learning an analysis of the musical works that have reflected cultural influences on the major musical phenomena of the twentieth century Focusing on the wide variety of theoretical issues spawned by twentieth century music A

History of Twentieth Century Music in a Theoretic Analytical Context reflects the theoretical analytical essence of musical structure and design *Heroin and Music in New York City* B. Spunt, 2014-05-14 Using narrative accounts from a sample of 69 New York City based musicians of various genres who are self acknowledged heroin users the book addresses the reasons why these musicians started using heroin and the impact heroin had on these musicians playing creativity and careers

American Folk Songs Norman Cohen, 2008-09-30 This state by state collection of folksongs describes the history society culture and events characteristic of all fifty states Unlike all other state folksong collections this one does not focus on songs collected in the particular states but rather on songs concerning the life and times of the people of that state The topics range from the major historical events such as the Boston Tea Party the attack on Fort Sumter and the California Gold Rush to regionally important events such as disasters and murders labor problems occupational songs ethnic conflicts Some of the songs will be widely recognized such as Casey Jones Marching Through Georgia or Sweet Betsy from Pike Others less familiar have not been reprinted since their original publication but deserve to be studied because of what they tell about the people of these United States their loves labors and losses and their responses to events The collection is organized by regions starting with New England and ending with the states bordering the Pacific Ocean and by states within each region For each state there are from four to fifteen songs presented with an average of 10 songs per state For each song a full text is reprinted followed by discussion of the song in its historical context References to available recordings and other versions are given Folksongs such as those discussed here are an important tool for historians and cultural historians because they sample experiences of the past at a different level from that of contemporary newspaper accounts and academic histories These songs in a sense are history writ small Includes *Away Down East* *The Old Granite State* *Connecticut* *The Virginian* *Maid s Lament* *Carry Me Back to Old Virginny* *I m Going Back to North Carolina* *Shut up in Cold Creek Mine* *Ain t God Good to Iowa* *Dakota Land* *Dear Prairie Home* *Cheyenne Boys* *I m off for California* and others **Dictionary of American**

Classical Composers Neil Butterworth, 2013-10-02 The Dictionary of American Classical Composers covers over 650 composers active from the 18th century to today Covering all classical styles it offers the most comprehensive overview of key composers in the United States available Entries include basic biographical information and critical analysis of each composer s key works and ideas Entries also include worklists and bibliographic information Whenever possible the entries will have been checked by the composers themselves to assure greatest possible accuracy This new edition completely updated and expanded from the 1984 edition also includes over 200 historic photographs *World Music: Africa, Europe*

and the Middle East Simon Broughton, Mark Ellingham, Richard Trillo, 1999 First published in 1994 in one volume An A Z of the music musicians and discs 2006 edition available as an e book *Camp Songs, Folk Songs* Patricia Averill, 2014

Description and analysis of a folk tradition that long has been a rite of passage for children and adolescents In depth discussion of 19 songs brief mention of 1 400 others 65 historic photographs **The United States Catalog** Mary

Burnham, Carol Hurd, 1928 A History of the Music for Wind Band Leon J. Bly, 2023-10-01 The book provides a historical survey of the wind band's music and denotes how historical and cultural developments have influenced it over the course of time. Although the modern wind band developed first in the 19th century, it has its roots in the wind music of ancient times and music survives that has been composed since the Middle Ages. Therefore, this book covers the music from that time to the present, including the dance music of the Renaissance, the Harmoniemusik of the Classical Period, and the nationalistic music of the Romantic Period, as well as the major wind band repertoire developed after 1900. *Notes and Sources for Folk Songs of the Catskills* Norman Cazden, Herbert Haufrecht, Norman Studer, 1983-06-30 *Notes and Sources to Folk Songs of the Catskills* also published by the State University of New York Press is the companion volume to *Folk Songs of the Catskills*. It contains extensive reference notes that exemplify and support detailed citations in the commentary preceding each song. The book also includes a comprehensive list of sources, including books, broadsides, or pocket songsters, disc recordings, music publications, periodicals, tape archives, and other miscellaneous material, as well as information on variants, adaptations, comments, or references, texts, and tunes. These notes are designed to provide succinct reference information. *Old English Melodies*, 1899 *MLN.*, 1919 Provides image and full-text online access to back issues. Consult the online table of contents for specific holdings.

Fuel your quest for knowledge with Learn from is thought-provoking masterpiece, **Five Folk Ballads** .
