

Meet Julian, Dick,
Anne, George and Timmy

THE FAMOUS FIVE

**'It's a strange place
now - with noises at night ...'**

The Five are off to the snowy Welsh
mountains where they can't wait to go
tobogganing and skiing.

But soon they are distracted by strange
events at Old Towers - a mysterious house
whose owner hasn't been seen for some time.

The Five are warned to stay away,
but how can they when they suspect
she is trapped inside?

Five Get Into A Fix No 17:

Enid Blyton: The Biography Barbara Stoney, 2011-08-26 Enid Blyton is known throughout the world for her imaginative children's books and her enduring characters such as Noddy and the Famous Five. She is one of the most borrowed authors from British libraries and still holds a fascination for readers old and young alike. Yet until 1974 when Barbara Stoney first published her official biography little was known about this most private author even by members of her own family. The woman who emerged from Barbara Stoney's remarkable research was hardworking, complex, often difficult and in many ways childlike. Now this widely praised classic biography has been fully updated for the twenty-first century and with the addition of new colour illustrations and a comprehensive list of Enid Blyton's writings documents the growing appeal of this extraordinary woman throughout the world. The fascinating story of one of the world's most famous authors will intrigue and delight all those with an interest in her timeless books.
