Reading Enid Blyton Philip Gillett, 2020-10-19 Enid Blyton has been disparaged by her critics since the 1950s and her stock is still low though this has not deterred readers New editions of her work have been published regularly since her death in 1968 Recently there have also been stage and television adaptations of her Malory Towers books

while other authors have continued to write stories based on her characters There are also Famous Five parodies which rely on readers familiarity with the series A continuing affection for her work is apparent though it is not always clear whether this comes from parents or their children Reading Enid Blyton places the author s work in its cultural and historical context The book examines a sample of her vast output looking at five recurring themes a sense of place a sense of period a sense of childhood a sense of class and a sense of fantasy A survey of changing attitudes towards Blyton reveals contrasting ways of looking at her work and raises the question whether she was as reactionary a writer as she appeared *The Making of the Modern Police, 1780-1914, Part II vol 5* Paul Lawrence, Janet Clark, Rosalind Crone, Haia Shpayer-Makov, 2021-12-16 Over six volumes this edited collection of pamphlets government publications printed ephemera and manuscript sources looks at the development of the first modern police force It will be of interest to social and political historians criminologists and those interested in the development of the detective novel in nineteenth century literature Science Fiction and Fantasy
