On this occasion she has concentrated on one painting the National Gallery of Victoria's famous Banquet of Antony and Cleopatra by Giambattista Tiepolo. This glorious work of art, considered a centre piece of the collection, has recently undergone restoration in preparation for the re-opening of the National Gallery on St. Kilda Road in December 2003. Jaynie Anderson has collected together a previously under-examined range of Tiepolo's drawings and studies and other versions of the theme by Tiepolo and other Italian artists. She has woven them into the spectacular history of the painting, its production and its various owners prior to coming to Australia, including the Hermitage in St. Petersburg, not to mention the fascinating stories of Antony and Cleopatra and their suicides which the author has researched and retells in great detail and considerable passion. The book concludes with a chapter written by the National Gallery of Victoria's conservators John Payne and Carl Willis. The Alcalde, 1988-01 As the magazine of the Texas Exes, The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years. The Alcalde serves as an intellectual crossroads where UT's luminaries, artists, engineers, executives, musicians, attorneys, journalists, lawmakers and professors among them meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for mayor or chief magistrate; the nickname of the governor who signed UT into existence was The Old Alcalde.
