Sentimental Education Gustave Flaubert,2003 Sentimental Education has been described both as the first modern novel and as a novel to end all novels Weaving a poignant love story into his account of the 1848 revolution Flaubert shows a society in the grip of stereotypes on every level There is something farcical in his depiction of characters who aspire to act but are dogged by cliché at every turn To a greater extent even than Madame Bovary Sentimental Education is an indictment of modern consumerism contrasting the hollowness of material achievement with the lasting beauty of the ideal Flaubert's study of success and failure offers us a terrible sadness in a terrible beauty yet is one of the world's great comic masterpieces

AUTHOR Gustave Flaubert 1821-1880 achieved instant success and fame indeed notoriety with his first novel Madam Bovary published in 1857 He was prosecuted on the basis that the novel was offensive to public morality and religion Although found not guilty Flaubert earned a lecture from the judge on the dangers of realism The book was a huge success and Flaubert came to be considered one of the great novelists of Western literature
