

FIVE GENTLEMEN OF JAPAN

PORTRAIT OF
A NATION'S
CHARACTER

FRANK GIBNEY

WITH A FIFTIETH ANNIVERSARY
INTRODUCTION BY THE AUTHOR

"A thoughtful, informed, and pleasantly written effort to interpret Japanese society and the Japanese character through portraits of five individuals, the Emperor, a high naval officer, a journalist, a farmer and a steel worker."

Five Gentlemen Of Japan:

Five Gentlemen of Japan Frank Gibney, 1973 **Leaves from an Autumn of Emergencies** Samuel Hideo Yamashita, 2005-09-30 The fall of Singapore and the brilliant victories achieved since the start of the war mean we are protected but I don't know just how grateful I should be Takahashi Aiko housewife February 1942 This is my final departure from the home islands I have paid my respects to those who have helped me I have no regrets Itabashi Yasuo navy kamikaze pilot February 1944 We had rice gruel for lunch again There was no tofu in it but there were potatoes We went through with the closing ceremony and received our report cards Everyone was there From now on I'll persevere and not fail Manabe Ichiro primary school student July 1944 This collection of diaries gives readers a powerful firsthand look at the effects of the Pacific War on eight ordinary Japanese Immediate vivid and at times surprisingly frank the diaries chronicle the last years of the war and its aftermath as experienced by a navy kamikaze pilot an army straggler on Okinawa an elderly Kyoto businessman a Tokyo housewife a young working woman in Tokyo a teenage girl mobilized for war work and two schoolchildren evacuated to the countryside Samuel Yamashita's introduction provides a helpful overview of the historiography on wartime Japan and offers valuable insights into the important everyday issues that concerned Japanese during a different and disastrously difficult time Valley of Darkness Thomas R. H. Havens, 1986-07-10 This volume portrays the daily life of ordinary Japanese civilians on the home front during World War Two Drawing extensively on wartime records and early postwar recollections of people who lived through the war era the book reveals a surprisingly cohesive society that bore up remarkably well Originally published by W W Norton and Company in 1978 *Select List of Recent Publications* East-West Center. Library, 1969 Deciphering the Rising Sun Roger Dingman, 2009-07-01 This book is about Americans not of Japanese ancestry who served as Japanese language officers in World War II Covering the period 1940-1945 it describes their selection training and service in the Navy and Marine Corps during the war and their contributions to maintenance of good relations between America and Japan thereafter It argues that their service as code breakers and combat interpreters hastened victory and that their cross cultural experience and linguistic knowledge facilitated the successful dismantling of the Japanese Empire and the peaceful occupation of Japan The book shows how the war changed relations between the Navy and academia transformed the lives of these 1200 men and women and set onetime enemies on course to enduring friendship Its purpose is twofold to reveal an exciting and hitherto unknown aspect of the Pacific War and to demonstrate the enduring importance of linguistic and cross cultural knowledge within America's armed forces in war and peace alike The book is meant for the general reader interested in World War II as well as academic specialists and other persons particularly interested in that conflict It will also appeal to readers with an interest in America's intelligence establishment and to those interested in Japan and its relations with the United States This history tells an exciting and previously unknown story of men and women whose brains and devotion to duty enabled them to learn an

extraordinarily difficult language and use it in combat and ashore to hasten Japan's defeat and transformation from enemy to friend of America *The War Against Japan, 1941-1945* John J. Sbraga, 2015-06-12 With over 5 200 entries this volume remains one of the most extensive annotated bibliographies on the USA's fight against Japan in the Second World War Including books articles and declassified documents up to the end of 1987 the book is organized into six categories Part 1 presents reference works including encyclopedias pictorial accounts military histories East Asian histories historiographies Part 2 covers diplomatic political aspects of the war against Japan Part 3 contains sources on the economic and legal aspects of the war against Japan Part 4 presents sources on the military aspects of the war embracing land air and sea forces Religious aspects of the war are covered in Part 5 and Part 6 deals with the social and cultural aspects including substantial sections on the treatment of Japanese minorities in the USA Hawaii Canada and Peru **Humanities Translation From**

Eleven Winters of Discontent Sherzod Muminov, 2022-01-04 At the end of World War II the Soviet Union captured 600 000 Japanese prisoners of war and interned them in Siberian labor camps Sherzod Muminov details the soldiers varied experiences of imprisonment including their indoctrination in Soviet dogma and the shock and alienation of repatriation to a homeland transformed under US occupation **How Asia Got Rich** Edith Terry, 2015-05-20 Within a few short months in

1997 Asian economies that had been considered not only healthy but miraculous suddenly fell off a precipice as investors withdrew massively first from Asian currencies and in rapid order from equity markets across the region On October 27 1997 the turmoil in Asian markets spooked Wall Street in the largest single day decline in history a drop of 550 points It was predicted that the Asian crash could drive the US trade deficit from 191 billion to 300 billion by 1998 creating huge new tensions in relations with some of the largest US trading partners These wrenching changes following a generation of success raise numerous questions about the steps that led to the crisis its likely outcome and the limits and constraints of Asian capitalism Edith Terry presents a blow by blow account of the crisis beginning with the 1996 collapse of the Bangkok Bank of Commerce In her overview she links the fall of the Asian miracle with the theme of globalization arguing that the crisis demonstrates the urgency of dismantling restraints to trade investment and financial services and that the United States should take leadership in pushing for new and sweeping reform through the World Trade Organization and in bilateral negotiations with its trading partners The final section of the book deals with the rise of the Asian miracle how the myth was created who created it why it succeeded for so long and is informed by analysis of the Japanese prototype *Pioneers in the Tropics* Philip Staniford, 2020-12-17 This study of a substantial Japanese immigrant community in Brazil concentrates on its development of a political organization to cope with internal problems of co operation and conflict and to deal with the outside world of Brazilian politicians and merchants After many early troubles the immigrants developed pepper growing as a cash crop and now seem on the way to prosperity The analysis which makes use of the concept of network interaction is of

relevance to all interested in community migration and development of new rural settlements **Heritage of Endurance**

Rethinking Japanese Modernism Roy Starrs, 2011-10-14 Edited by Roy Starrs this collection of essays by an international group of leading Japan scholars presents new research and thinking on Japanese modernism a topic that has been increasingly recognized in recent years to be key to an understanding of contemporary Japanese culture and society By adopting an open multidisciplinary and transnational approach to this multifaceted topic the book sheds new light both on the specific achievements and on the often unexpected interrelationships of the writers artists and thinkers who helped to define the Japanese version of modernism and modernity Specific topics addressed include the literary modernism of major writers such as Akutagawa Kawabata Kajii Miyazawa and Murakami avant garde modernism in painting music theatre and in the performance art of Yoko Ono and the everyday modernism of popular culture and of new urban activities such as shopping and sports *Senso: The Japanese Remember the Pacific War* Frank Gibney, Beth Cary, 2015-04-29 This acclaimed

work is an extraordinary collection of letters written by a wide cross section of Japanese citizens to one of Japan's leading newspapers expressing their personal reminiscences and opinions of the Pacific war SENSO provides the general reader and the specialist with moving disturbing startling insights on a subject deliberately swept under the rug both by Japan's citizenry and its government It is an invaluable index of Japanese public opinion about the war *Fatal Voyage* Dan Kurzman, 2008-12-24 Shortly after midnight on July 30 1945 the Navy cruiser USS Indianapolis was torpedoed by a Japanese submarine in the Philippine Sea The ship had just left the island of Tinian delivering components of the atomic bomb destined for Hiroshima As the torpedoes hit the Indianapolis erupted into a fiery coffin sinking in less than fifteen minutes and leaving nine hundred crewmen fighting for life in shark infested waters They expected a swift routine rescue unaware that the Navy high command didn't even realize that the Indianapolis was missing Help would not arrive for another five days Drawn from definitive interviews with key figures Fatal Voyage recounts the horrific events endured as the number of water treading survivors dwindled to just 316 Each gruesome day brought more madness and slow death from explosion related injuries dehydration and most terrifying of all shark attacks But the pain did not end when the men finally returned home The Indianapolis's commander Captain Charles B McVay III was court martialed for causing the clearly unavoidable disaster With a new afterword chronicling the fifty five year campaign by Indianapolis survivors and their supporters to win public vindication for Captain McVay this classic is restored along with memories of the Indianapolis crew **Pacaf basic**

bibliographies Mitsuko Kuniyoshi, 1957 *Persona* Naoki Inose, 2013-01-01 Traces the life of the Japanese author who

went from sickly youth to dedicated student of the martial arts looking at his family life the wartime years and his career as a writer who advocated for traditional values 羅德里格斯,1986 Inside the Bataan Death March Kevin C. Murphy,2014-09-24 For two weeks during the spring of 1942 the Bataan Death March one of the most widely condemned atrocities of World War II unfolded The prevailing interpretation of this event is simple American prisoners of war suffered cruel treatment at the hands of their Japanese captors while Filipinos sympathetic to the Americans looked on Most survivors of the march wrote about their experiences decades after the war and a number of factors distorted their accounts The crucial aspect of memory is central to this study how it is constructed by whom and for what purpose This book questions the prevailing interpretation reconsiders the actions of all three groups in their cultural contexts and suggests a far greater complexity Among the conclusions is that violence on the march was largely the result of a clash of cultures undisciplined individualistic Americans encountered Japanese who valued order and form while Filipinos were active even ambitious participants in the drama Comparative religion John Bowman,2025-01-27
