The Road Taken Patrick Leahy, 2023-09-12 A historic sweeping memoir from United States Senator Patrick Leahy currently the chamber s longest serving senator and President Pro Tempore In his landmark memoir *The Road Taken* Patrick Leahy looks back on a life lived on the front lines of American politics As the senior most member and de facto dean of the chamber Senator Leahy has been a key author of the American story Leahy established himself as a moral leader and liberal pioneer over four decades spanning nine presidential administrations American history comes alive in this gripping story of a master political leader and consummate legislator Leahy takes you inside the room as pivotal moments in our nation s history play out from the post Watergate reform era to path breaking Supreme Court confirmations to stress tests like the impeachment of President Clinton 9 11 and Congress s role in greenlighting a disastrous war in Iraq the January 6th Capitol insurrection and both impeachment trials of Donald Trump one of which Senator Leahy presided over a historic first Beautifully written

and filled with wonderful stories Leahy's memoir is populated by a larger than life cast of characters. We meet the major players who would shape the course of American politics including every President from Ford onward a fresh faced Ted Kennedy a dying Hubert Humphrey a thirty three year old son of Scranton named Joe Biden a quick witted Barry Goldwater a freshman Senator and trash talking gym mate named Barack Obama and a scrappy newcomer by the name of Bernie Sanders. Through these characters and many more we see the rise gradual decline and push for redemption of a United States Senate that Leahy learns at an early age can be the nation's conscience. The Road Taken is also a moving personal portrait. Born in Vermont in 1940 Leahy got his first taste of politics at age six after riding his tricycle into the Governor's office. Twenty eight years later he became the first Democrat and youngest person ever elected to the United States Senate from Vermont. He writes movingly of his wife of nearly sixty years Marcelle his family life his beloved home state of Vermont and his unexpected life as an actor with cameos in five Batman movies. Despite being born legally blind in one eye Leahy became an accomplished photographer shooting history as he witnessed it. His intimate portraits illustrate the book showcasing history through the lens of his life. Full of wisdom and insight The Road Taken ranks among the greatest political memoirs revealing a momentous life marked by hard decisions made without regret.

The Road Taken Seymour (Sy) Gitin, 2021-08-08. In this fascinating book Seymour Sy Gitin recounts his life's journey from his childhood in 1940s Buffalo New York to a storied career as an archaeologist working and living in Israel. Over the course of his life Sy served as a rabbi in Los Angeles and as US Air Force Chaplain starred in an Israeli movie trained as an archaeologist and eventually became the Director of the W F Albright Institute of Archaeological Research in Jerusalem an institution he led for thirty four years. As an archaeologist Sy encouraged American participation in the archaeology of ancient Israel fostered the development of the Palestinian archaeological community and conducted valuable field work at Tell Gezer and Tel Miqne Ekron. His tale is full of entertaining vignettes involving the people that he encountered along the way including many of the pioneers in the field W F Albright Nelson Glueck Yigael Yadin Benjamin Mazar and Trude Dothan as well as current protagonists William G Dever Israel Finkelstein and Amihai Mazar. Readers will enjoy Sy's humorous and engaging stories rationing out seder wine on a military base following the great Alaskan earthquake only to learn that soldiers were threatening to use it to brush their teeth encounters with Senator Daniel Patrick Moynihan and US Ambassador Thomas Pickering and the many colorful experiences he had with fellow scholars through the years. An engaging and entertaining recounting of a remarkably lived life. The Road Taken is a revealing look at being Jewish in America and Israel from the 1940s through today and an eye opening look at the often controversial development of biblical archaeology.
