

The Five Books of Miriam

A Woman's Commentary on the Torah

A stunning combination of scholarship and creative imagination. The voice of Jewish women, silenced for three thousand years, begins to emerge in this book.

—Rabbi Harold Kushner

Ellen **Franke**l Ph.D.

Fives Of Miriam A Womans Commentary On The Torah

Gale, Cengage Learning

Fives Of Miriam A Womans Commentary On The Torah:

Five Books Of Miriam Ellen Frankel,1997-12-29 Weaving together Jewish lore the voices of Jewish foremothers Yiddish fable midrash and stories of her own imagining Ellen Frankel has created in this book a breathtakingly vivid exploration into what the Torah means to women Here are Miriam Esther Dinah Lilith and many other women of the Torah in dialogue with Jewish daughters mothers and grandmothers past and present Together these voices examine and debate every aspect of a Jewish woman s life work sex marriage her connection to God and her place in the Jewish community and in the world The Five Books of Miriam makes an invaluable contribution to Torah study and adds rich dimension to the ongoing conversation between Jewish women and Jewish tradition

The Five Books of Miriam Ellen Frankel,1998 Weaving together Jewish lore the voices of Jewish foremothers Yiddish fable midrash and stories of her own imagining Ellen Frankel has created in this book a breathtakingly vivid exploration into what the Torah means to women Here are Miriam Esther Dinah Lilith and many other women of the Torah in dialogue with Jewish daughters mothers and grandmothers past and present Together these voices examine and debate every aspect of a Jewish woman s life work sex marriage her connection to God and her place in the Jewish community and in the world The Five Books of Miriam makes an invaluable contribution to Torah study and adds rich dimension to the ongoing conversation between Jewish women and Jewish tradition

Jews and Gender Jonathan Frankel,2001-02-08 Volume XVI in this well received annual series contains an up to date survey of gender issues in modern Judaism It includes original essays on Orthodox Judaism and feminism American Jewish women female rabbis the impact of feminism on rabbinic study masculinity Jewish women in the Third Reich and gender and military service

Set Them Free Laurel Dykstra,2014-10-15 A fresh look at the Exodus story that opens our eyes to injustice in today s world

The Trials of Abraham Martin Sicker,2004 The Trials of Abraham is based on the premise that the primary concern of the Torah is with establishing a conceptual framework within which a unique nation might emerge and flourish for the exclusive purpose of facilitating the emergence of a model civilization for eventual emulation by all the peoples of the earth The Trials of Abraham is devoted to a consideration of how the biblical author sought to explain through narrative rather than analysis why Abraham was chosen to be the founding patriarch of that new nation The saga of Abraham is presented in the book of Genesis in a group of stories reflecting a series of progressively severe tests or trials to which Abraham was subjected in order to demonstrate to all but especially to posterity his worthiness to be the founder of a unique nation committed to God s service The trials illustrate the discrete steps by which he underwent transformation from a natural philosopher to a religious sage from being a consummate rationalist to becoming a man of faith capable of suppressing even the most pressing demands of reason Understanding the biblical narrative requires that we strive to comprehend what the text as we have it is telling us explicitly as well as implicitly As is the case with many biblical texts it is not always clear what is being conveyed or why certain bits of information are provided and others omitted The challenge for the sympathetic reader is to attempt fill in

the seemingly obvious gaps in the narrative and to make sense of that which is or is not said It is the purpose of *The Trials of Abraham* to assist the reader in doing just that *Studies of the Narratives in the Book of Genesis* Martin Sicker, 2018-11-01 The stories in the book of Genesis have been studied intensely for more than two millennia providing a virtual mountain of commentary on every aspect of the narratives contained therein Viewed from a traditional perspective the stories related in Genesis are essentially graphic philosophical and theological narratives designed to convey profound ideas and insights that would otherwise be found only in tomes designed for students of philosophy and theology A close substantive examination of these narratives as presented in the Masoretic text but often lost in translation where the subtleties of the Hebrew wording are glossed over will reveal a treasure trove of insights into the fundamental issues of religious belief the divine human relationship freewill and determinism the complex nature of humankind and theodicy to name a few of the issues dealt with in the narratives The present work contains four deep dive studies of key interrelated narratives in the first twenty two chapters of Genesis that address the questions of the nature of man and his relationship to God and most critically the distinction between divine justice and human justice It is the hope and expectation of the author of these studies that the reader will come away from them with even more questions about the biblical texts than they had before As will be seen there has always been little consensus over the centuries about the meanings of these essentially right brained texts primarily because they are constructed and written in a manner that tends to challenge left brained analysis Nonetheless they remain intellectually important because the topics they deal with are of great pertinence to contemporary society

Inventing Jewish Ritual Vanessa L. Ochs, 2010-01-01 A celebration of innovation and creativity in Jewish ritual **Meet Me at the Well** Jane Yolen, Barbara Diamond Goldin, 2018-01-16 Old Testament stories center around men Leaders prophets kings and priests are all male But hidden in the background are strong willed daring females Jane Yolen and Barbara Diamond Goldin s masterful retellings pairs eloquent profiles with stunning art answering one question What makes these women heroes From first woman Eve to Deborah the judge to Queen Esther savior of her people females in the Hebrew bible are resourceful and courageous Each chapter is devoted to a single story with text complemented by sidebars known in Jewish tradition as midrashim that pose questions provide more information and include nondenominational interpretations A much needed thoughtful updating of Bible stories about women Kirkus Reviews STARRED REVIEW A solid source of study and reflection for libraries with religious patrons School Library Journal Each chapter features a lovely full page piece of artwork Booklist *Imagining the Jewish God* Leonard Kaplan, Ken Koltun-Fromm, 2016-09-09 Jewish art has always been with us but so has a broader canvas of Jewish imaginings in thought in emotion in text and in ritual practice *Imagining the Jewish God* was there in the beginning as it were engraved and embedded in the ways Jews lived and responded to their God This book attempts to give voice to these diverse imaginings of the Jewish God and offers these collected essays and poems as a living text meant to provoke a substantive and nourishing dialogue A responsive living covenant lies at the heart of this

book a covenantal reciprocity that actively engages the dynamics of Jewish thinking and acting in dialogue with God The contributors to this volume are committed to this form of textual reasoning even as they all move us beyond the text as foundational for the imagined people of the book That people we submit lives and breathes in and beyond the texts of poetry narrative sacred literature film and graphic mediums We imagine the Jewish people and the covenant they respond to as provocative intimations of the divine The essays in this volume seek to draw these vocal intimations out so that we can all hear their resonant call

Wo/men, Scripture, and Politics Elisabeth Schüssler Fiorenza, 2021-08-31 In *Wo men Scripture and Politics* Elisabeth Sch ssler Fiorenza brings to bear years of trailblazing scholarship of feminist thought and hermeneutics onto the current political and cultural landscape In this book she seeks to articulate and use biblical interpretation as intervention into the failure of the democratic cultural political imagination Although such an intervention is often taboo for supposedly neutral academic scholarship Sch ssler Fiorenza argues that it is politically necessary because political argument today so often utilizes biblical rhetoric in the public square e biblical political analysis and suggestions of this book are developed in four chapters each focusing on the role of the Bible in struggles over women s leadership in the present touching on the cultural double bind of women in politics sexual abuse power and the MeToo movement Sch ssler Fiorenza s insights and arguments not only lead to the development of reimagined cultural biblical imprints of women in the political arena but they also encourage her readers to add their own biblical examples to inspire them in their struggle for a biblical vision of women in the public square is is an insightful challenging book written for our time by someone who has always seemed to be ahead of hers

Smooth Words Carole R. Fontaine, 2002-01-01 Fontaine explores the social roles of women as depicted within the book of Proverbs as well as the character archetypes and patriarchal ideologies which undergird the sages portrayal Using feminist folklore methodologies and performance studies the author explores an alternative paradigm for understanding women s relationship to wisdom traditions in the ancient Near East using parallel texts later midrash and extrabiblical re presentations of biblical women associated with wisdom Fontaine is thus able to show that women were culturally authorized performers of the family based wisdom traditions of teaching economic problem solving and care giving and that these roles provided them with a platform to use their acknowledged wisdom in public roles

Reflections on Issues in Judaic Law and Lore Dr. Martin Sicker, 2023-02-22 The fundamental basis of Judaism as is well known is the Torah the teachings contained in the Pentateuch the five biblical books the composition of which is traditionally attributed to Moses These teachings may be grouped in two basic categories matters between man and man individually as well as societally and matters between man and God The basic guidelines that apply in matters between man and man are referred to as mishpatim or ordinances whereas those applying to matters between man and God are referred to as statutes The fundamental distinction between the two categories is that the ordinances are subject to human judgment whereas the statutes are not the divine reason for them a mystery about which people may speculate but cannot know for certain The

present work is primarily concerned with four statutes that have direct and significant impact on the lives of those committed to compliance with them Since simply rejecting any of them is not an acceptable option over the millennia since their codification in the Torah efforts have been made to deal with them under conditions that are significantly different from those that prevailed at the beginning of their revelation Given that the statutes as set forth in the Torah cannot be tampered with issues have been raised regarding how they are to be applied in the contemporary Jewish world These reflections are not intended to propose answers to those issues but only to clarify their significance and their present treatment in the various schools of Judaic thought

A Study Guide for Anita Diamant's "The Red Tent" Gale, Cengage Learning, 2016-07-12 A Study Guide for Anita Diamant's The Red Tent excerpted from Gale's acclaimed Novels for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Novels for Students for all of your research needs

Sacred Paths of the West Theodore M Ludwig, 2015-08-07 This text combines study of the dynamic historical development of each religious tradition with a comparative thematic structure Students are encouraged to discover and explore the nature of religious experience by comparing basic themes and issues common to all religions finding connections with their own personal experiences By sensitively introducing descriptive material within a comparative thematic structure this text helps students to understand how each religion provides for its adherents patterns and meanings that make up a full way of life

Rending the Curtain Tammy Priest, 2010-03-29 Developed by a messianic Jew this eight week daily bible study leads participants on a journey into the Old Testament Day of Atonement Yom Kippur Through this sacred ritual still the most holy day on the Jewish calendar God painted a vivid picture of the coming Great High Priest and His ultimate sacrifice on the Cross Explore the foreshadowing and fulfillment of the majestic Tabernacle the ancient priesthood and the sacrificial blood of Leviticus 16 This study is ideal for either individual or group study a facilitator's edition is available This is a standard paperback version the study is also available in a spiral bound format on Lulu.com

The Bloomsbury Companion to Jewish Studies Dean Phillip Bell, 2013-08-15 The Bloomsbury Companion to Jewish Studies is a comprehensive reference guide providing an overview of Jewish Studies as it has developed as an academic sub discipline This volume surveys the development and current state of research in the broad field of Jewish Studies focusing on central themes methodologies and varieties of source materials available It includes 11 core essays from internationally renowned scholars and teachers that provide an important and useful overview of Jewish history and the development of Judaism while exploring central issues in Jewish Studies that cut across historical periods and offer important opportunities to track significant themes throughout the diversity of Jewish experiences In addition to a bibliography to help orient students and researchers the volume includes a series of indispensable research tools including a chronology maps and a glossary of key terms and concepts This is the essential reference guide for anyone working in or exploring the rich and dynamic field of

Jewish Studies **Downstream from Eden** David L. Knight, 2012-05 Downstream from Eden is a celebration of water in a less than perfect world It will inspire you and bring you hope Probably the most comprehensive study of water and the Bible you will find anywhere Well researched and highly readable with stories from Icelandic waterfalls to the Aral Sea from the origins of the universe to the Apocalypse the author weaves a conversation that turns water into wine You will sip and savor page after page Water is an urgent global concern with 800 million people living today in parched conditions or with unsafe water The UN Water for Life Decade 2005 2015 highlights the need for sustainable water solutions Downstream from Eden adds a unique voice to this discussion with insights from the Bible science history and literature on issues of social justice the environment and personal spirituality Fascinating material David Knight is a profound reflective and interesting writer Ramez Atallah The Bible Society of Egypt A beautiful study of water Read it slowly and enjoy You will be refreshed spirit and soul Barry Mackay Habitat for Humanity India retired Includes A Manifesto for Action Ten Disciplines for Living Downstream from Eden and Questions for Small Group and Book Club discussion Freedom Journeys Arthur Ocean Waskow, Phyllis Ocean Berman, 2011 Calling us to relearn and rethink the Passover story Rabbi Arthur O Waskow and Rabbi Phyllis O Berman share the enduring spiritual resonance of the Hebrews journey for our own time *War and Peace in Judaic Thought* Martin Sicker, 2021-09-27 Judaic thought on the role of war in the history of the children of Israel begins with the biblical narratives that record a variety of belligerencies in which God is often depicted as the one who leads the Hebrews in battle protects them from their enemies and makes them victorious over other armies Thus during the initial phase of the exodus from Egypt when the people were terrified by the approach of the Egyptian army Moses sought to calm them by assuring them that the Lord will fight for you Ex 14 14 which he repeated when he sought to calm their concerns by again assuring them The Lord your God who goeth before you He shall fight for you Deut 1 30 These assurances clearly were not intended to be taken literally The metaphor of God as their warrior had multifaceted connotations for a people who knew or at least perceived themselves to be smaller and weaker than the nations with which they would have to contend in order to establish themselves in the land divinely promised to their ancestors The metaphor provided the children of Israel with a sense of security informing them that they were chosen for freedom by an all powerful God who would continue to support them even in the face of apparently overwhelming challenges The present study focuses primarily on a number of biblical narratives selected because they each reflect the basic issues of reason and morality that relate to the conduct of warfare throughout human history as understood in Judaic thought In each case the context will be described to the extent necessary to evaluate the rationale and consequences both intended and unintended of the resort to armed conflict The study then addresses the efforts in the post biblical rabbinic period to amplify and codify the rules pertaining to the making and conduct of war and peace a process that continues in Judaic thought to the present day when such decisions after a lapse of two millennia once again confront autonomous decision makers in the modern State of Israel **The Matriarchs of Genesis**

David J. Zucker, Moshe Reiss, 2015-08-27 Sarah Hagar Rebekah Leah Rachel Bilhah Zilpah These are the Matriarchs of Genesis A people's self understanding is fashioned on their heroes and heroines Sarah Rebekah Leah and Rachel the traditional four Matriarchs are important and powerful people in the book of Genesis Each woman plays her part in her generation She interacts with and advises her husband seeking to achieve both present and future successes for her family These women act decisively at crucial points through their actions and words their family dynamics change irrevocably Unlike their husbands we know little of their unspoken thoughts or actions What the text in Genesis does share shows that these women are perceptive and judicious often seeing the grand scheme with clarity While their stories are told in Genesis in the post biblical world of the Pseudepigrapha their stories are retold in new ways The rabbis also speak of these women and contemporary scholars and feminists continue to explore the Matriarchs in Genesis and later literature Using extensive quotations we present these women through five lenses the Bible Early Extra Biblical Literature Rabbinic Literature Contemporary Scholarship and Feminist Thought In addition we consider Hagar Abraham's second wife and the mother of Ishmael as well as Bilhah and Zilpah Jacob's third and fourth wives

Fives Of Miriam A Womans Commentary On The Torah Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Fives Of Miriam A Womans Commentary On The Torah PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Fives Of Miriam A Womans Commentary On The Torah PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to

knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Fives Of Miriam A Womans Commentary On The Torah free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Fives Of Miriam A Womans Commentary On The Torah Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Fives Of Miriam A Womans Commentary On The Torah is one of the best book in our library for free trial. We provide copy of Fives Of Miriam A Womans Commentary On The Torah in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Fives Of Miriam A Womans Commentary On The Torah. Where to download Fives Of Miriam A Womans Commentary On The Torah online for free? Are you looking for Fives Of Miriam A Womans Commentary On The Torah PDF? This is definitely going to save you time and cash in something you should think about.
